

Lengthy discussions precede Council subdivision approval

At the May 6 meeting of Council, as Committee of the Whole, planner Wayne Gordon outlined Stage 3 subdivision plans in the Akinsdale outline plan, using aerial photo and contour map.

The outline plan confirms the development and land use agreed to a year ago with Qualico developers, he said. The plan is generally acceptable for the portion shown in detail north of the town's water line right-of-way noted Mr. Gordon, adding that details of the area south of the line have yet to be resolved with several property owners in the area. However, staff are satisfied that this area can be suitably linked to the northern area, he said, and design details will be submitted later for the southern area.

Qualico have put in a revised staging plan in the south half of the neighborhood, with notably advanced timing, necessitated by high acquisition and holding costs for this land, said a memo from the planner. A seven-acre site originally marked for multiple housing is to be relinquished, as the town housing applicants decided on single family development. A nature park and school site are proposed in the north area said the planner and further reported that action has been initiated to annex those portions of land in Stages 5 and 6 of the Akinsdale outline plan, and that Qualico is aware that costs of these proceedings

are normally charged to the developer. Stages 5 and 6 cannot proceed until this matter is finalized with the Local Authorities Board.

Planner Gordon said the Stage 3 subdivision plans had been researched and he was in the main satisfied with

them. Portions of two road allowances will require closure and transfer to the developer in exchange for two five-acre sites for District 6 schools. Easements for Calgary Power in the 156th street alignment and the 170th street alignment will be required. Please Turn To Page 2

Hopes riding high for Bike-a-thon

The St. Albert Breakfast Lions are expecting a big turnout at their annual Bike-a-thon which will commence at 8 a.m. on Saturday, May 18. For those people who would like to participate but are unable to attend on Saturday, arrangements have been made for a Friday ride also. It may be advisable to contact Bike-a-thon organizers if you would like to ride at that time.

The route outlined in the provided route maps must be travelled three times for a total distance of 25 miles. It is very much the same as last year's, beginning at Lions Park (start and finish point) and covering southern St. Albert. More precisely, the route is from Lions Park - west on Sir Winston Churchill Ave. - south on Glenhaven Crescent - east on Grenfell Ave. - south on Grosvenor Blvd. - east on Edmonton Road - north on Grange Drive - west on Gate Avenue where check #2 is located. From check #2 riders

travel north on Grandin Rd. - east on Sir Winston Churchill Ave. - south on Cunningham Road - around Sunset Blvd. to Hebert Rd. and check #3. From check #3 the riders will travel north on Cunningham Road back to Sir Winston Churchill Ave. and west back to Lions Park.

Spokesman for the bike-a-thon, John Kaminski, reports that hopes are high for a better showing than last year. Last year's most heavily sponsored rider, Father Levangle, is again riding for big money. Mr. Kaminski stated that a number of organizations in the community are competing and a member from each will be riding. In addition, the bank managers have organized a competition as have the insurance and real estate concerns. The ladies clubs of St. Albert should also be participating and competing.

This year's 'big names' include Hec Gervais, MLA. Please Turn To Page 2

The St. Albert Lions Club did a brisk business selling trees and shrubs at Lions Park on the weekend, with sales of about \$1,150 for Saturday and Sunday. Lions Niels Hovedskov, left, Stan McQuitty and Nick Chodan, right, asked Ernie Jamison MLA to look over the selections of two satisfied customers who brought along a wee girl to enjoy the park Sunday morning. This weekend the Lions will offer flower and vegetable bedding plants as well.

District 6 approves revised school plan

The St. Albert Protestant Separate School District #6 met on Wednesday, May 8, 1974. A number of miscellaneous items were considered and discussed.

Mr. Jack Gardener, the architect for the proposed Lacombe Park Community Core School was on hand to present revised sketch plans of the school. The plans were approved by the Board for resubmission to the School Buildings Branch.

The Student Accommodation Report was presented by Mr. E. Gish. The report breaks down in detail the maximum enrollments which can be accommodated in existing facilities. In total, a maximum of 3,876 students

can be accommodated without exceeding maximum class sizes in grades 1 to 1X.

Under Trustee Items, Dr. W. Cuts reported that the proposed student exchange program between St. Albert and New Brunswick would not now take place. The cancellation was due to the fact that the Federal Government will no longer contribute to this project. He put forward an alternative plan to send the St. Albert students to Expo. Part of the necessary funds will be raised by a chocolate selling blitz. Mr. Jim Wiltshire suggested that the District contribute \$200 towards sending the students to Expo as this amount would have been spent on busing students had the exchange taken place. The Board voted and passed the suggestion.

The Report of the School Names Committee was read. This report suggests guidelines for selecting school names and recommends priorities in the association of the names selected. For example, names associated with the Edmonton area take first priority followed by names associated with Alberta, Western Canada and historical Canadian names, in that order. Care has to be taken to avoid duplicating names already given to schools in the metro-Edmonton area. A list of names which included a brief historical background of the individuals made up part of the report. Mr. Charlie Sch-

roeder, chairman, moved that the report and names be submitted to the Edmonton Metro Committee.

A recommendation by the District Superintendent, Mr. Elmer Gish, that the Board Please Turn To Page 2

Council will ask additional grants

A recommendation by Coun. de Bruijn at the May 6th Committee meeting was put to Council at their regular meeting Monday night, that the Chief Administrator make representation to the Department of Municipal Affairs to seek additional grant assistance in view of the large population increase in St. Albert last year.

Councillor Bakker stated the split mill rates are of no benefit to St. Albert with its lack of industry. Large cities, he said, and areas with industry get a tremendous benefit.

Councillor de Bruijn said the point raised by Coun. Bakker was a very valid one, which should be explained at the political level as well as at the AUMA convention in the fall. Under this arrangement the rich get rich and the poor Please Turn To Page 2

Council rejects site for RCMP building

Deputy Mayor Hudson chaired the regular meeting of Council Monday night in the absence of Mayor Gibbon, with all councillors present.

Reviewing minutes of the Board of Police Commissioners meeting May 8, a site for a new police facilities, fronting on Sir Winston Churchill Avenue west of Grandin Clinic was considered, as recommended by the Board. The Board felt that with improved access from Grandin to St. Anne, and a second crossing of the river, the site would meet desired requirements for quick movement to any part of town.

Administrator Byron said the site was town owned and while the police might prefer to be closer to the highway, sites were uncertain and it is not known when construction could be started. The RCMP lease expires in April or May. He said the planner and staff had no objection to the site, and parking would be at the rear, with access to be negotiated with the Clinic for quick access to St. Anne via the proposed downtown road to link with St. Anne.

Coun. Bakker was not in favor, saying the left turn-out is blocked by a median east to Sir Winston Churchill, and he thought a corner

site previously proposed would have been better. The Joyal store corner on Mission and Perron was one proposed, and the area behind Mac's Milk.

Mr. Byron pointed out the town was not the owner, and that the RCMP quarters might not be compatible with whatever other development comes in. To overcome the left hand turn, he said, it would be necessary to exit through the rear of Grandin Clinic, adding that the Police Commission didn't think there would be a problem.

Councillor Lukay suggested a bylaw could be prepared with intent to change if a better site became avail-

able, but Mr. Byron said the architect cannot definitively estimate costs unless the site is known. Coun. de Bruijn was not in favor of the site - it doesn't make sense he said. It may be central now, but is far removed from the future centre of the town. He also felt access was not adequate. Coun. Hudson said a major concern of the Commission was the restricted time limit. It should be a corner lot, said Coun. Bakker, and Coun. Hudson said "We must get that corner lot now." Coun. Lukay was not convinced it was a good site. Motion lost 4-2 with Councillors Hudson and Thronson in favor of the site.

Grants

Continued From Page 1
get a little poorer he said, adding that provisions are needed in legislation regarding the split mill rate.

Particularly this year, said Coun. Bakker - it is relevant at this time. He moved an amendment to the recommendation to add the position on split mill rate to St. Albert's request for additional provincial assistance. Amendment and the de Bruijn recommendation were both approved unanimously.

Dist. 6

Continued From Page 1
approve the Outdoor Education Excursion to Jasper for the Opportunity Class in Simpson School was accepted. The Board will provide financial support in the amount of \$200 for this project.

A request from the principal of Paul Kane High School to send two Grade XI students to the Banff United Nations and International Affairs Summer School was also accepted. Part of the cost of this project will be funded by the Students Union, the St. Albert ATA Local and the students themselves.

Continued From Page 1
avenue alignment, will be required.

Servicing charges have been negotiated with District #3 Board for their school site, but the planner requested clarification on District #6. He also noted that 149th street aligns to the northwest in conjunction with an interchange facility with the Department of Highways, and expected a reply from the department in several weeks on the limits of the interchange and what they would pay.

Coun. Lukay felt there would be problems with roadways if the annexation did not go through, which could eventually lead to another Bishop street situation. The planner said the por-

Riding

Continued From Page 1
Ernie Jamison and Deputy Mayor Bob Hudson, who will be on hand for opening ceremonies. The Lions Band and several other bands will be on hand to entertain in the Bandshell at Lions Park. Certificates will be given to all riders on completion of ride, trophies will be awarded for special efforts, and refreshments are to be available.

tion to be annexed was mainly for residential. We are losing some public reserve which will have to be acquired elsewhere and the major roads are secured, he said.

At what stage of the overall development would you be concerned if we don't have annexation asked Coun. Lukay, and Mr. Gordon replied when the application for Stages 5 and 6 is in.

Coun. Thronson questioned why the District 3 negotiations on local improvement costs were complete, but not District 6, and the planner said no clear indication had been given #6 as to titles of their two properties. Qualico had purchased a lot in Braeside for the District 3 site to solve Akinsdale, in an exchange transaction, and District 3 has title.

Council could tell District 6 that no development agreement will be signed until these negotiations are done, which would put the Board in an advantageous position, suggested Administrator Byron. "We had a specific request from District 6, said Coun. Hudson. They will approve the sites subject to satisfactory arrangements on titles.

Council got approval for the size of the sites with the developer on the basis that either the Town or the Board look after servicing costs, said Coun. Thronson, and we should conclude an agreement basically as with District 3. We gave a flat figure for servicing costs, which will be higher now, but in fairness we should do the same for District 6.

Mr. Charles Schroeder, chairman of District 6 was present and asked to speak. "Our preference, as we indicated a long time ago, is clear titles to the property," he said. Otherwise the board faces complications he said, since we cannot abandon a school. Mr. Schroeder also wanted to know about the availability of the second school site in the area. A representative of Qualico said his company had asked to have the site staked out and didn't think there was a problem.

Coun. Lukay moved that titles for the sites be turned over to District 6. Mayor Gibbon didn't like setting a precedent in the matter and pointed out that the meeting had been told by Minister of Education Lou Hyndman that no way under the new act the Boards would have to pay. He was afraid that under the new act the municipalities would end up with five per cent dedication. "There is a method of leasing to Boards by municipalities he said. "We might

be in a bind, and I would like to see how things line up if Boards do not buy land - we will end up with nothing."

"We are not talking about a document," said Coun. Hudson, but the mayor still felt the motion would set a precedent as far as road allowance closures reverting to the town. He also wanted a caveat in connection with the transfer of titles, and to this Coun. de Bruijn agreed, so that if the School Board decided they did not want to use a site, it would revert back to the town. The motion carried 5-1 with Mayor Gibbon opposed, and the mayor's motion to investigate the caveat carried unanimously.

Coun. Thronson then moved the Committee recommend to Council approval of the Stage 3 subdivision under the conditions named by the planner.

Coun. Lukay said he would oppose the motion. "I am concerned over further residential development with the problems of roads, traffic congestion and major services now facing the town.

Coun. de Bruijn pointed out that Council was getting ahead of itself. We first have to approve the first two recommendations of the planner. Coun. Thronson agreed and de Bruijn's motion to authorize the closures and transfer them to Qualico in exchange for the two lots for schools, was carried 5-1

with Coun. Lukay opposed. Coun. de Bruijn's motion for temporary easements was also carried 5-1 with Coun. Lukay opposed. Coun. de Bruijn's motion to approve the subdivision in accordance with planners recommendations carried 5-1 with Lukay opposed.

Mayor Gibbon moved that a copy of the Akinsdale outline plan be forwarded to the Department of Highways and Environment, with request that if they intend to change the ring road or interchange, the town should be told right now, as residential development was going in. Vote was 5-1 with Coun. Lukay opposed.

Town of St. Albert

PUBLIC NOTICE

(SECTION 311 OF THE MUNICIPAL GOVERNMENT ACT)

TAKE NOTICE that the Council of the Town of St. Albert, in the Province of Alberta, has given first reading to money Bylaw No. 17/74 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of constructing a "public works building and dog pound" within its municipal limits.

The estimated total cost of the aforesaid project amounts to \$322,000.00. After deducting from this cost the amount of \$99,000.00 formally approved and borrowed by the issuance of debentures, and \$65,000.00 is estimated to be realized by sale of the existing public works site, the net amount to be borrowed on the credit and security of the Municipality at large by the issue of debentures is \$158,000.00. The debentures are to be repayable to the bearer in TEN (10) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than NINE AND ONE-HALF per centum (9 1/2%) per annum.

NOTICE THEREFORE is hereby given by the Council of the Town of St. Albert that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said Bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary electors is -

- (1) a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and
- (2) a person who is liable for the payment of a mobile unit licence.

Five per cent (5%) of the proprietary electors may by petition request a vote on a money Bylaw under the provisions of Sections 311 and 7 of The Municipal Government Act.

1. The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.

2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.

3. There shall be set out opposite each signature on the petition -

- (a) the legal description of the property or other qualifications entitling that person to be a proprietary elector,
- (b) the postal address of the petitioner,
- (c) the occupation of the petitioner.

4. A corporation or a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or a church or other religious organization or an estate.

5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.

6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.

7. No name shall be removed from the petition after it has been received by the municipal secretary.

8. If two or more money bylaws are advertised in a single notice, a separate petition shall be filed with respect to each bylaw.

9. The date of the last publication of this Notice is May 22nd, 1974.

PUBLIC UTILITIES BOARD NOTICE

IN THE MATTER OF "The Gas Utilities Act," being Chapter 158 of the Revised Statutes of Alberta, 1970:

AND IN THE MATTER OF the issue of an 8.57% Debenture in the aggregate principal amount of Nine Million, Five Hundred Thousand Dollars (\$9,500,000.00) and a 9.21% Debenture in the aggregate principal amount of Five Million Dollars (\$5,000,000.00) by Northwestern Utilities Limited (hereinafter called "the Company") to Canadian Utilities Limited.

NOTICE IS HEREBY GIVEN that the Company has applied to the Public Utilities Board, at Fourth Floor, Petroleum Plaza, 9945 - 108 Street, Edmonton, Alberta for an Order of the Board:

1. authorizing the issue; and
2. approving the purposes of the issue:

UNLESS OBJECTION by a person having an interest in the matter is filed on or before June 6, 1974, with the Board and with the Company at its address set out below, the Board may issue its Order without further notice.

COPIES of the application and information filed in support thereof may be obtained by interested persons from the Company, care of Messrs. Milner & Steer, Solicitors for the Company, at Ninth Floor, Milner Building, 10040 - 104th Street, Edmonton, Alberta.

DATED AT EDMONTON, in the Province of Alberta, this 8th day of May, A.D. 1974.

PUBLIC UTILITIES BOARD,
S. M. BARNETT,
ACTING SECRETARY.

of the summer. Some will not return! Many accident victims, however, will live because someone cared enough to take the time to give a pint of blood at a Blood Donor Clinic.

On Tuesday, May 21, between the hours of 6 and 9 p.m. at the St. Albert Community Hall, the St. Albert Kinettes will be sponsoring a Blood Donor Clinic. Come out and help the Red Cross help another to live.

The Kinettes will be happy to provide transportation to the Clinic. Please phone 459-4371 or after 5 p.m. on May 21 - 459-7003.

This year the Kinmen are again challenging any local club or organization to compete for the Kinette Blood Donor Trophy. Pledge

cards have been sent with a letter to the various groups asking for their participation as individual club members as well as for pledges from outside the club.

The trophy will be awarded to the organization obtaining the highest percentage of donors. The trophy has been held for the past year by the St. Albert Legion. If your club was not contacted or if you wish more information, please contact Jim Waldron at -- 459-5902.

By giving 30 minutes of your time, on May 21, you may be giving the gift of life to a stranger - or perhaps, not a stranger. Someday you may be obligated to accept such a gift!

Accent from Akins

By Kristine Iddings

The inter-school curling bonspiel between Lorne Akins and Sir George Simpson has been completed after 20 weeks of games. Lorne Akins produced the winning team of Dave Crerar, skip, Michael Parkins, third, Val Kelly, second, and Kristine Iddings, lead. The team was presented with individual trophies and a large trophy for the school and a banquet for the curlers was held after the last game. A big thank you to all the mothers who helped prepare the banquet.

A Students' Union sock-

hop was hosted by Chuck Chandler, who gave away records on spot dances, played his favorite hits and produced a great atmosphere for the students who attended.

Mr. Buccini auctioned off lunches at a Box Social function which was well supported by students who brought the lunches. A mummy wrapping contest was won by the students from Grade 7-5 - a plaque was presented.

Disc Jockey, Kyle Gordon from radio station CHED hosted a "Greaser-Day" sock-hop last Thursday in which students went back to the "swingin'" 50's and 60's. At the sock-hop Mr. Kenakin's Science Club sold hamburgers and the Students' Union sold pop. Several students picked up in the cash and prizes department. Tim Dymchuk and Kristine Iddings were the "greasiest" dancers. For imitating the dance styles of the 50's, they received record albums. The "greasiest" looking couple were Kristine Iddings and Dave Romaine who picked up \$5 for their good

At the May meeting of the St. Albert Women's Institute, held at the home of President Nora Rouault, MLA Ernie Jamison was present for a portion and discussion centered around the Senior Citizens Centre, for which the WI had received a RCMP Centennial Grant from the Province of \$20,000. President Lily Szuba of the St. Albert Senior Citizens Club was also present.

Mr. Jamison congratulated the members on the many hours of work they have done, an estimated 300 hours so far, and on the comprehensive application they had submitted. The WI plan is to move the present teen centre building across from Father Jan School to the Lions Park area referred to as the Belcourt pro-

perty (formerly the dog pound area). The Supper Lions would make the site available and the building would go on a cement base-

ment. Mr. Jamison felt the Institute should give thought to how far \$20,000 would go on the project, and Mrs. Lorraine Moore, who has spearheaded the project for the WI pointed out that they had over 3,000 hours of volunteer labour arranged, plus some financial support from the Single Parents and Kinettes. Mr. Jamison, however, was concerned that the group might run into a rather large debt before the project could be completed, and enquired if the project could be co-ordinated with the Lions Supper Club, who are supporters of the Senior Citizens Club.

Mrs. Moore said Tuesday that the WI had written the Lions Club, and that plans

are going ahead on a feasibility study on a new building, with the WI, Lions and other interested organizations. She pointed out that under the terms of the grant, a centre must be completed by January 1st, 1975. Application for the Centennial grant went through the Town of St. Albert last fall and was just recently approved.

Alternatives to rapid growth

During the Council meeting May 6, Councillor deBruijn suggested that all the members of the council interested in participating in the tour of B.A.C.M. developments in Calgary could minimize their transportation costs if they made arrangements with P.W.A.

This piece of information raises the following questions:

Can Council maintain the wide ranging planning perspective required to deal with the proposed B.A.C.M. annexation in St. Albert if they are exposed to a concentrated sales effort in Calgary?

Do Town Councils usually participate in 'en masse' tours with the very developers they are required to deal with on annexation proposals?

Are there any conflicts of interest?

During the special public meeting held April 29, a number of councillors and members of the audience evidenced concern over the burden that our rapid rate of expansion has placed on our transportation arteries, recreation facilities and other municipal and social services. Interestingly enough the next stage in the Akinsdale development was approved at the May 6 Committee of the Whole meeting. Councillor Lukay was opposed. (This development will pave the way for residential development abutting the industrial areas in the south east).

In order to obtain a partial overall perspective of the developments facing the council it is useful to assume that:

(1) The B.A.C.M. annexation is a 'fait accompli' - the Council and B.A.C.M. appear to be in the 'informal' planning stages; (2) The additional stages in Akinsdale are approved (another annexation is required to complete this development) and (3) the large Allarco annexation is approved by the Local Authorities Board. (The town opposed Allarco at the L.A.B. hearing).

It is evident that if all of these proposals come to fruition, the citizens of St. Albert will experience a substantial deterioration in the quality of their life style.

Mayor Gibbon has suggested that it is virtually impossible to stop this development, even if the Town was inclined to do so. Clearly if this is the case the future seems rather bleak.

It is suggested that there are no political or socio-economic dictums which force us to follow the high growth path.

The citizens of St. Albert can choose alternative paths of development. For example we don't have to accept the inevitability of the B.A.C.M., Allarco or Qualico annexations. Representation to the Provincial Government would ensure that the annexations were not approved.

Clearly there are costs and benefits associated with any type of alternative that the residents wish to select. They are not unfathomable. Analysis can be carried out which give us a fairly hard-nosed basis for making such decisions.

As matters presently stand our path is well delineated: Higher rates of growth, fuelled by piece-meal planning and short run perspectives. Massive traffic

congestion, deterioration of the environment and major industrialization. (The ideal ratio according to Council is 50-50 in terms of residential vis-a-vis industrial assessment).

It is suggested that if the residents of St. Albert want to choose among alternatives and decide their own fate, that a major reform must be initiated in the manner and way development and planning issues are handled in the town.

First the benefits and costs of high, medium, low and zero growth need to be spelled out in a succinct and meaningful manner. (Off the cuff remarks and back of the envelope calculations are meaningless). This type of analysis would provide us with overall policy guidelines.

Secondly, all medium and major annexation proposals and development agreements should be presented to the citizens at public meeting - BEFORE the hearings. Private developers should be required to outline the benefits and costs of their proposals at these meetings.

The manner and way development proposals fit within a general plan should be handled as a matter of course.

It is suggested that the citizens of this town can control development to fit within their preference structure - and within the limits of their 'pocketbooks'. And it is not at all clear that our present course of action will achieve any of these objectives.

R. H. M. Plain (Ph.D.)

President

St. Albert Planning Committee.

Tiger Goldstick of CFRN-TV who does a safety program for kids, 'Tigers Den' congratulates Captain Clifford Black and Lieutenant Chuck Vinge of the Sir Alexander Mackenzie Safety Patrol, who won the 'Patrol of the Month' award for April. Legion holds President's Ball

Head table guests were piped in to open the banquet program at the 2nd annual President's Ball put on by the St. Albert Branch of the Royal Canadian Legion at the Purple Dude Saturday evening.

Presentation of the colors was conducted by Sgt. at Arms Ole Kendel with Doug Taylor and Wally Swenarchuk, Pipers Gerry Piper and Dr. Roger Stevens took part in the formal ceremony as well.

Master of ceremonies Ole Kendel called upon President Denny Taylor to introduce head table guests Bill Jones, president-elect of the Lions Supper Club, and Mrs. Jones; Elmer Harrison, president of the Lions Breakfast Club and Mrs. Harrison; June Kendel, president of the Ladies Auxiliary to the Legion, and Mr. Kendel; Al Alain, president of St. Albert Council, Knights of Columbus, and Mrs. Alain, and Nora Rouault, president of the St. Albert Womens' Institute and Mr. Rouault. Ernie Jamison, MLA was also introduced and Mrs. Jamison.

Later on past presidents of the local branch of the Legion were also recognized: Doug Taylor, Wally Swenarchuk, Joe Durocher Jim Oliphant and Rudy Schriber, Jim Dobie, also a past president was not able to attend. "These are the people," said President Taylor, "who have brought the Branch to where it is."

CLASSIFIEDS GET FAST RESULTS.
PH. 459-7144.

They started with nothing and the branch has come a long way under their work and leadership. Denny also said the Legion were looking at new premises, possibly next year, and would need the support of those present and others for their building program.

During the dancing which followed, to the music of Ole Kendel's "Bluetones" three door prize draws were arranged for a total of 12. Entertainment by the two pipers during intermission was enthusiastically received.

CATHY BREMAULT

Cathy Bremault is a 16 year old student at St. Albert High. She moved to St. Albert two years ago from Winnipeg. Miss Bremault is active in the Pitch and Spice singing group and is employed at a local business. Cathy is a sport fan also. Her post high school plans include study of physio and occupational therapy.

YVONNE BYL

Yvonne Byl is an 18 year old student at St. Albert High. She has been a resident of St. Albert for five years. She confesses an interest in sports and animals and hobbies such as leather, Indian crafts, and weaving. Miss Byl aspires to attend Vermilion College to study the field of Wildlife Conservation.

SUSAN DE HEK

Susan De Hek is a 17 year old Paul Kane High student. She has been residing in St. Albert for 11 years and expresses an interest in meeting people and travelling. Her interests include writing, cooking, biking, and photography. University holds her attention for the future as does a trip to Europe.

LORRAINE A. GRAVELLE

Lorraine Aline Gravelle is a 16 year old St. Albert High student. A host of extra-curricular activities and interests receive Lorraine's attentions. Included among them are such things as: track and field, basketball, volleyball, horses, swimming, and creative writing. Miss Gravelle would like to go to University and study either occupational therapy or psychology.

LENDY SPENCE

Lendy Spence is a 16 year old student at Paul Kane High School. Her pastimes include guitar playing and sports such as skiing and curling. Her favorite activity is riding and taking care of her horse. Miss Spence hopes to include N.A.I.T. in her future plans. She would like to take courses in Horsemanship and interior decorating.

Bokenfohr - McDade wedding

MR. & MRS. ALLAN BOKENFOHR

Father Jake Joly conducted the wedding service uniting Allan Bokenfohr and Carolyn McDade at St. Albert Roman Catholic Church on Saturday, May 4. Allan is the son of Mr. and Mrs.

Ferdinand Bokenfohr of R.R. 1 St. Albert and Carolyn is the daughter of Mr. and Mrs. George McDade of Calgary.

The epistle was read by the groom's sister Carol, the

bride's brother Greg read the Intentions, and the couple faced each other to read their own vows. Host and wine were brought to the altar by brothers of the couple, Mark Bokenfohr and Jerome McDade. Music was by Mrs. Marcel Kozak at the organ and soloist Lucien Lortieau. Given in marriage by her father the bride was lovely in long white gown featuring the Spanish influence with tiers of lace, extending for the length of the gown and on the lace-edged cathedral train. The full skirt was fashioned over a hoop and the dainty bodice was accented by a high lace collar. She wore a amnkilla style head-

piece with lace chapel veil, and carried creamy white roses.

Matron of honor, Margie Freeman and bridesmaids Jeanine McDade and Carol Bokenfohr wore long gowns of blue floral nylon with picture hats and bouquets of daisies and baby's breath. Younger sisters of the bride Julie and Cecile served as flower girl and ring bearer.

The groom was attended by Terry Bokenfohr as best man, Ron Ball and Greg McDade. Richard Bokenfohr and Brad McDade ushered the guests.

A wedding supper and reception followed for about 325 guests, when Mr. Mo

Phalempin was master of ceremonies and the bride's brother proposed a most fitting toast, to which the groom replied, commenting that Carolyn's parents had done a good job, considering what they had to work with, and that he felt he has raised his own parents well.

Mr. Harvey Underwood, an uncle, spoke on Carolyn and her growing up years, and the groom's uncle, Ed LaVerge proposed a toast to Allan and told a few stories about him. The wedding cake which centred the head table was decorated with much artistry and imagination by Marg Dalman.

An evening of dancing and

refreshments followed, with out-of-town guests present from Swift Current, Sask., Fairview, Calgary, Edson, Grande Cache, Hinton, Pennington, Sask and Morinville.

On Sunday the Bokenfohrs were host to a gift opening at their farm home when some 70 people heard a tape recording of the wedding ceremony, which was a first in the St. Albert Roman Catholic Church.

The young people will make their home in Edmonton after a honeymoon at Spokane World Fair. Allan is a graduate in Agriculture from the U of A and Carolyn has one year to complete in Home Economics.

Air Cadets impressive on inspection parade

Major S. R. Langman, a staff member of 435 Transport Squadron, C.F.B. was inspection officer for the annual inspection of St. Albert Royal Canadian Air Cadet Squadron #533 held Thursday evening at the Arena. Russ Janzen represented the Air Cadet League of Alberta, Capt. Bruce Lundquist, Area Cadet Officer and Sgt. Nick Dodds were also present for the review. Jack Garrett, president, and Stan McQuitty, chairman of the sponsoring committee, represented the Lions Club. In addition to the usual parade there was a special demonstration by the Air

Cadet Band, and the first public showing of the drill which the Precision Drill Team took to Nampa on the weekend. This drill movement won first place for the Squadron in the combined Northern Alberta Drill and Sports competition held at Nampa in preparation for the Provincial finals. Major Langman spoke briefly and was most appreciative of the young people and their work in the community, as well as the quality of leadership shown. Mr. Janzen a former Colonel in the Canadian Forces, said that in all his years in the service he had not seen,

either from Regular Forces, Reserves or Cadets, a more impressive parade. Arnold Bendick and Claude Carignan were presented with Queen Commission Scrolls by the Area Cadet Officer. Both are former cadets, now commissioned officers in Squadron 533. Claude is going into the regular force this spring as a logistics officer. Over 80 cadets were on parade and there was a good turnout of parents, despite the pouring rain. Following the parade the Squadron and their parents went to the Community Hall where displays of aircraft models,

uniforms, publicity, photography and others illustrating the cadet training program were on view. The squadron staff had an administrative inspection of their performance, carried out by Capt. Lundquist and Sgt. Dodds. Trophy presentations followed. Major Langman presented the trophy for Best 1st year cadet to L. A. C. M. Barton, and the Best Achievement trophy to L. A. W. W. Gibson. Russ Janzen presented the Outstanding N.C.O. trophy to Cpl. J. Fabi and the Top Marksman to F. Sgt. G. Bondarevich. Jack Garrett pre-

sented the St. Albert Lions trophy to Cadet of the Year, F. Sgt. G. Howrie. Best All Round Cadet trophy was presented by Mr. Garrett to W. O. 11, J. Humbert. Band trophies were presented to Most Valuable Bandman, L. A. W. K. Helten, Outstanding Bandsman

(trumpet), L. A. C. G. Maybee and Outstanding Bandsman (drum), L. A. C. R. Gilliam. Wayne Bissonnette was presented with Warrant Officer Scroll, the presentation coming just the day before he left to join the regular force in Shearwater, Nova Scotia.

of our
NEW DEADLINE**

It has become essential to observe advertising deadlines, and Gazette advertisers are requested to take note that no display advertising can be accepted after 9 p.m. MONDAY for publication in the current week. Classified advertising will be accepted until 4 p.m. TUESDAY.

New equipment has been installed to take the paper to the camera-ready stage in order to improve reproduction and to provide for earlier distribution. The addition of this process makes it imperative that a strict deadline be maintained, and the co-operation of advertisers is requested.

DISPLAY ADVERTISING DEADLINE IS NOW MONDAY AT 9:00 P.M.

and Things To See

Gospel Road screened for deaf

Father Bob Bauer of the Cross of Christ Lutheran Church for the Deaf was in the spotlight at the showing of the film "Gospel Road" at the Towne Cinema on Wednesday, April 24. Father Bauer provided a translation of the dialogue into sign language which enabled over 150 deaf people who would have been unable to enjoy this form of entertainment due to their special handicaps.

The film is a depiction of the Holy Land and features Johnny Cash with several other well known country entertainers. It is the first time in Edmonton that efforts have been made to accommodate those who are afflicted with hearing disabilities and likely a first time in Canada. Father Bauer was positioned off to one side of

the screen in view of all and from this location conveyed the verbal sound track to the responsive and unique audience.

The greatest problem facing the Towne Cinema and Father Bauer was how to inform the handicapped people of the showing. Because of their hearing handicaps, people in this situation rely on the written word as their main channel of communication. The more conventional communication mediums such as TV or radio cannot be employed and it had been the intention of Father Bauer to write letters to inform the handicapped people of the showing. The mail strike made this method of communication impossible and most of the advertising was done through personal contact

Opera night on May 21

The Edmonton Opera Guild will present their last Opera Night of the season at the Sahara Restaurant on Tuesday, May 21.

"Au Revoir for a Season" gets underway at 8:30 p.m., with Doug Stewart acting as master of ceremonies. Singers Elise Dery, Nigel Lemon, Agostino Tedesco, David Mar, Ellen Wetherill and Father Carlo Dittotto will be featured, along with classical accordionist, N. Peruch. Their accompanists are Ernestine Bern-

stein, Julie Lemon, Madeleine Beaudry, Hug Tracey and Laurel Nichol.

The Edmonton Opera Rondos, "Pirates of Penzance" will be performing, with Carmen Bourret, Diane and Ron Nelson of Namao district, Lary Benson and Ray Phipps. They are accompanied by Kathleen Letourneau.

Admission is \$1 and half price for senior citizens, so "Au Revoir" will be an evening of excellent entertainment which does not strain the budget.

Father Bauer demonstrates how he transforms a movie sound track into language the deaf can understand in the lobby of Jasper Cinema prior to a performance of Gospel Road, made meaningful through the efforts of this man who has done so much for deaf people in Edmonton area.

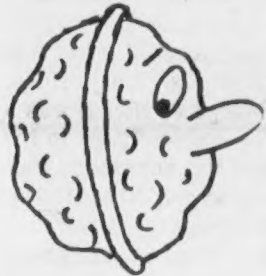

Batik workshop on long weekend

The St. Albert Arts and Crafts Guild has planned a weekend workshop in batik for residents of St. Albert and vicinity. It will be held Friday, May 24; Saturday, May 25; and Sunday, May 26, and anyone with an interest

in this craft is welcome to attend.

Batik is an ancient Javanese technique in which portions of a design are blocked out with hot wax before the article is dipped in various colors of dyes. Mrs. Jackie Graff will conduct the workshop.

Dyes will be provided for applicants and a small registration fee will be charged to cover cost. Further information can be obtained by phoning Parks and Recreation, Town of St. Albert at 459-6601 or Class Coordinator, Lois Folkins, at 459-7344.

Hospital Auxiliary hears about Block parents

Constable Rick Maynard of the RCMP detachment, St. Albert, had a very busy evening on Monday, May 13. He spent the early part of the evening at the Lady Lions outlining the Block Parent Plan and then proceeded to the Sturgeon General Hospital to address the Auxiliary on the same subject.

Const. Maynard explained that the Block Parent Program is a preventive measure. A block parent is someone who displays an easily recognizable sign in his or her window. The sign is approximately 10 inches square and shows an adult holding the hand of a child. The figures are bright red on a white background and the words "Block Parent" are displayed. The sign is designed to be easily identifiable to a child unable to read.

More volunteers are needed for this program and Constable Maynard would like to see as many Block Parents on one street or crescent as possible. He said

that it is not necessary to have children in elementary school or even to be a parent to become involved in this program. As long as a volunteer is a mature and responsible adult, encouragement is given to become a block parent.

There have been many requests from adults working during the day to become involved in the evenings and weekends and the program has been extended to include people in this category. It was stressed that a Block Parent does not have to change his or her everyday habits and block parents are not expected to stay home and keep constant vigil. When a volunteer leaves the house, he simply removes the sign from the window.

Screening of prospective block parents is performed by the RCMP and is strictly confidential. The reason for screening is obvious - the protection of children within the community.

What is expected of block parents? Block parents will display the sign at a vantage point when they are at home. A child needing assistance will know that help is available at a house showing the red and white sign. The block parent will contact the necessary agency or the parents of the child in distress. Block parents are not required to administer first aid or to provide food.

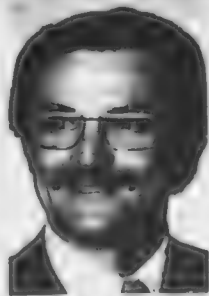

The key word of the program is prevention and the need for this type of program was emphasized this past week when an attempted child molestation in St. Albert was reported.

Mr. Cliff Keyes, hospital administrator, presented 500 and 200 hour caps, and 100 hour pins to Volunteers on Monday, May 13. The Volunteers receiving these awards have given up some of their spare time to work at the hospital. The girls work under the direction of Mrs. Donna Low and Mrs. Joan Murphy. Pictured are Heather Sturgess (100 hours); Robin Forman (500); Debbie Billsten (500); Cathy Throughton (100); Cathy Hentig (200); Mrs. Low, Sharon Boehm (500); Mary-Jane Weirsmas (500); Janice Scammell (100) and Mr. Keyes.

Growers of Hardy Trees and Shrubs

Locals from Legal

By Lucienne Montpetit

Sincere condolences to Mr. Joseph and Emerle L'Heureux who are mourning the loss of their brother Philippe, who passed away last week.

Mrs. Allan Woywitka with six of her relatives left on May 6 to spend three weeks in Poland to visit with their aunts and cousins.

Mrs. Eddy Rivard is back home recovering after spending sometime in the hospital.

La Soirée de Chants Français was very successful. The evening was dedicated to the mothers. The teachers and students are to be congratulated on the fine presentation of every number. Raymond Tremblay the master of ceremonies revealed the surprise at the end of the concert, wishing Happy Mother's Day to all the mothers and told them they would receive flowers at the exit. Such thoughtfulness was greatly appreciated by all the mothers present.

Donald Cytko, stepson of Mr. and Mrs. John Pedgery, attends Lazerte High School and was the only student from the M.D. of Sturgeon, along with 12 students from Lazerte with other students from Glengarry and Rosedale, accompanied by four supervisors flew to Moscow on April 12 and returned April 23. The group spent three days in Moscow, Leningrad and Copenhagen. They visited the

schools and museums. They were amazed at their customs and that all students wore uniforms and learn four languages in school, English, German, French and their own language.

They held a social evening for the groups to get acquainted. They had courteous hostesses to make sure everyone socialized.

The jeans that our Canadian students were wearing were really a "hit" with the Moscow groups. Some were asked if they would sell their jeans "they really thought they were neat."

Due to the air strike the group landed in Saskatoon and finished their trip to Edmonton by bus.

Legal girl second - Cabane a sucre

By Lucienne Montpetit

The Legal community is truly proud of Miss Marjolaine Chamberland who was second runner-up for Mlle. Cabane a Sucre at the 25th annual Cabane a Sucre held at the Sportex April 27.

Marjolaine was also noted as Mlle. Amabilite (Miss Congeniality) and was awarded a free course from the Peggy Adams charm school.

Being second runner-up, she also received \$50 and a large tote bag.

All six contestants received a \$25 certificate from Woodward's, a subscription to the Franco-Albertain and the Theatre Français d'Edmonton, a french record,

This educational and enjoyable trip "Midnight in Moscow" was arranged by the Association of Student Council.

The M.F.C. wish to thank Mr. Tom Maccagno, lawyer who came to speak on wills and testaments last Monday.

Many thanks to everyone that came and showed interest. Mr. Maccagno's informative talk was followed by a vivid period of discussion and question period.

Mr. and Mrs. Claude Bilo-deau returned on May 13 from Ottawa after spending a week with their son Leo and his wife. They enjoyed their holiday in the east.

a kodak pocket camera, a charm bracelet, a \$40 certificate from Avon and a photograph of the six candidates and one of themselves courtesy of Dallaire Studios of Edmonton.

Marjolaine is the oldest daughter of Mr. and Mrs. Bruno Chamberland and a third year student in Education at the University.

Greaser day - Legal High

By Cathy Montpetit

On May 10, Legal High held "Greaser Day." Students from grades 7 to 12 came to school dressed in the late 50's fashion. A macaroni dinner was held in the school during the noon hour. The students prepared and served the dinner themselves. At the end of the noon hour, an "eating contest" was held. Participants were Grade 9 - Terry Garneau and Denis Chamberland; Gr. 10 - Laurette Douzich and Roland St. Jean; Gr. 11 - Dolores Letourneau and Leo Prefontaine; Gr. 12 - Lorraine de Champlain and Mike Kallal. Winners were Dolores Letourneau and Mike Kallal. Their prizes were a large jar of Roloids and a box of Ex-lax. Thank you to all those who helped to make this dinner a success.

On May 24, Legal High is holding a spring dance, with the theme "Garden of Eden." (formal or semi-formal dress wear). This event is being held especially for the parents, so it would be appreciated if you would all come. This dance is replacing our annual May Queen. Come and dance to the music of the "Vehicles."

Hand made collection shows skill - ingenuity

By Lucienne Montpetit

Visiting at the home of Mr. and Mrs. Lucien Bergevin recently, Lucien showed a group of friends his collection of handmade items. All those original articles were done in his spare time as a hobby. He takes much pride in his work that is done with precision, ability and patience.

This interest in fabricating things, dates back to his childhood on the farm a few miles from the village, where he was brought up in a family of six children. Mr. Bergevin said he only had four years of schooling then he started working out helping neighbors.

"The little education I received never prevented me from being creative," he said. At the age of 15 he made a vegetable cutter, but it was mainly used for cutting leaf tobacco. He picked up scraps of this and that and his imaginative mind put them to good use.

In 1964 he made a steel lock and key weighing 18 pounds, to officially open the gate to our Park Citadel. The same year he made two violins from scrap lumber. His violins play very well and have been used for concerts. Never wasting anything he had picked up broken hockey sticks and used them to make a wagon that can easily carry 200 lbs.

Among other things that caught my eye was a miniature steel buggy, with all the parts welded together. He bought the horse, but displayed patience in the making of the harness to hitch the horse to the buggy. Among the many things, I only mentioned a few, he proudly says he made two broad axes that were used in the building of Fort Edmonton.

His last masterpiece, done several weeks ago was a little wooden dancing man which entertains the young and old.

Lucien has never sold any of his items but has made

and given some to his seven children. As the saying goes "behind every man there is a patient and understanding woman" as is his wife Lucille, always encouraging him and spending many nights alone while he was busy working at his hobbies.

Mr. Bergevin is employed by M.D. Sturgeon on maintenance, and does mostly welding and fabricating engineering.

He takes pride in the display of machinery from early days in front of the M.D. Sturgeon Building in Morinville, which he repaired

and restored, using forge welding.

Mr. Bergevin's interest is in two directions, making things with his hands and preserving pioneer tools, machines and trappings, and he has combined them in a hobby which has enriched his life, and will enrich the life of his children and grandchildren. The fact that his large and interesting collection has been made almost entirely from scrap and used material at hand, also holds a lesson for the new generation.

Municipal District of Sturgeon No. 90

Public Meeting

The Council of the Municipal District of Sturgeon #90 intends to rezone the N.W. 27-55-25-4 from Agriculture to Light Industrial. Views on objections to the proposal are to be submitted in writing on or before May 30, 1974 - 8:00 p.m. at which time a public hearing will be held at the Municipal District of Sturgeon #90 administration office.

Alphonse Nobert,
Secretary-Treasurer.

Matron and part time Secretary-Treasurer required by home for Senior Citizens located in Legal. Applications may be combined. Duties commence July 1st, 1974.

Please send resume stating age, experience and salary expected to Sturgeon Foundation, Box 219, Legal, Alta.

Fellow Conservatives...

Again I am seeking the P.C. Nomination in Pembina and need your support to meet this challenge.

I sincerely appreciate the honor and responsibility of serving my constituents for the past 18 months and would like to return to Ottawa to complete the many tasks I have started.

Please attend your local Zone Meeting on Thursday, May 16 and elect your delegates to the Nominating Convention.

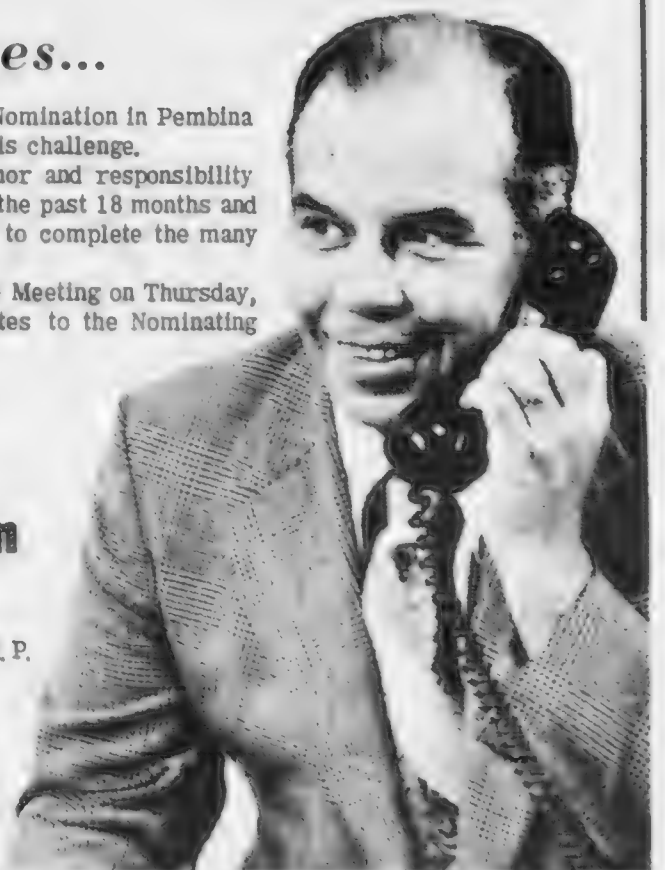

We've Only Just Begun

Sincerely,
Dan Hollands, M.P.

ZONE MEETING:

GIBBONS, ALTA.

MAY 16 - 8 P.M.

Senior citizens tour legislative building

Spring has arrived at last for some seniors who have been away for the long winter months, and returned to St. Albert recently and called in on the club meetings to re-

new acquaintances.

They were Mrs. Ada Hogg from Ontario, Mrs. Adelaide Telfor from New Brunswick, Mrs. Ann Poloway from Ohio, and Mr. Donald Chadwick from British Columbia.

The club members elected Mrs. Mary E. Joyal of 24 Mission Avenue as secretary of the club, replacing Mrs. Clara Morin, who resigned due to prolonged illness. Clara and Philip Morin have left for the west coast to visit relatives and enjoy a well earned holiday.

Mrs. Mary LaFleur, Mr. Mike Sebzda and Mr. Peter Sernowski were in the Sturgeon Hospital and happy to say are at home now recuperating satisfactorily.

Cyrille and Anna Cloutier one of the pioneer and founding members of the Seniors Club, celebrated their 60th diamond wedding anniversary on April 14. Club members extend to them, their best wishes.

President Lily Szuba will be collecting further names on the Seniors Club petition for a Senior Citizens Lodge in St. Albert, and would like interested citizens who have not already done so to get in touch with her at 459-8809.

May 6 was an exciting day, when seniors toured the Provincial Legislative Building and Greenhouse. After

Members of the St. Albert Senior Citizens Club who toured the Legislative grounds and took in the session proceedings were photographed on the steps before leaving. Front row: Miss Marie Wolniewicz, Mrs. Thom Belle, Mrs. Nettie Zoltenko, Mr. Bill Zoltenko, Mrs. Margaret Morrison, Mrs. Lily Szuba, Mr. Leon Szuba. Second row: Mrs. Bernadette Morin, Mr. Ben Morin, Mrs. Alice Desrochers, Miss Antoinette LaBlanc, Mr. Donald Chadwick, Mrs. Mae Smith, Mrs. Anna Melnik. Third row: Mrs. Mary Benoit, Mrs. Helen Hudson, Mrs. Louise Cunningham, Mrs. Eva Franche, Mrs. Ann Poloway, Mr. Ulderic Franche, Mrs. Katherine Sebzda, Mrs. Macy Van Tighem, Mr. Frank Comeau (bus driver). Back row: Mrs. Gabrielle Martin, Mr. Rene Martin, Mr. Antoine Grenier, Mr. Noe Boivier and Mr. E. Jamison (MLA).

luncheon in the cafeteria, the seniors were seated in the Public Gallery at 3 p.m., and Mr. Jamison rose to introduce to the House our Club and at the same time we stood up to acknowledge the desk thumping welcome from all the MLA's.

Legislation discussed at the time, was the passing of

Bill 55, to create a North-east Alberta Region, and a Chief Commissioners office for the duration of the oil sands development. Hi-lite was for us to see our own MLA Ernie Jamison speak in favor for the passage of Bill 55.

The tour concluded in a very happy atmosphere and

once again the seniors express their gratitude to the Lions Breakfast Club of St. Albert, especially Lion Chuck Meurin for all detailed arrangements made by him and the hiring of a bus with a courteous and helpful driver Mr. Frank Comeau. Thank you gentlemen from the Senior Citizens Club.

School band visits Lethbridge counterpart

The Father Jan Band, directed by Peter Holt, who had a weekend exchange tour to Lethbridge. The band is comprised mainly of Father Jan students, but includes students from all St. Albert Junior High Schools, since it was felt that by combining resources and personnel a more worthwhile program could be offered.

The Father Jan Lions Junior Band left for Lethbridge last Thursday on the first stage of an exchange tour with the Lethbridge Junior High Band, at Lethbridge Catholic Central High School.

Friday the students had a tour of the University of Lethbridge and then attended a joint workshop, which was the major learning experience for the young musicians. Peter Holt of Father Jan and the Lethbridge conductor took turns instructing and conducting, and the combined bands prepared an informal concert which was presented at the school Friday evening. The Lethbridge band is at about the same stage of development as the Father Jan band, and both workshop and concert worked out well.

When Brian Kathol performed excerpts from the "Sting" score on the piano he brought down the house.

Saturday they returned via Calgary and enjoyed a visit to the zoo there. Principal John Kaminski took in the tour and the bus driver was another teacher from Father Jan, Norman Tailleux.

How much time does an accident take?

Charley has an accident. The ambulance is called. The boss stops what he's doing. Bill stops what he's doing. So does Pete and Sam and Ernie. Charley is taken to the hospital. He could be off for a month.

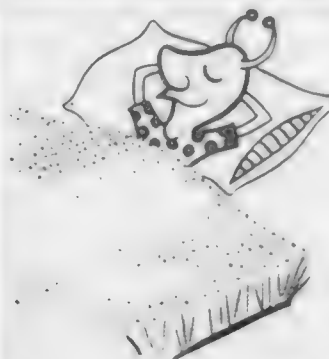

Dave discusses the accident with Phil while machinery sits idle. Roy turns off an engine so he can hear what Don is saying about Charley's accident.

Al and Wayne and George get into quite a lengthy discussion about Charley's accident — and Gil arrives in a truck and wants to be filled in on all the details.

Accidents take time, lots of time. Better to spend a little time to see that accidents don't happen — than a lot of time after they do.

T.M. Lecture draws over 20

About 24 people attended an introductory Transcendental Meditation lecture at Father Jan School on Wednesday, May 8. Two instructors, Dennis Michealchuk and Donna Bratton, conducted the lecture which lasted almost two hours.

Mr. Michealchuk elaborated on the technique employed and the utility of using such a technique. He pointed out that the thought process is one which originates deep in the mind, at the 'source of thought,' and proceeds upward in the mind until it reaches a conscious level where the individual becomes aware of it. He drew an analogy between the thought process and 'bubbles rising in a pond.' The idea is that by employing the technique, thought is appreciated at a finer level. He went on to say that it was logical that by refining thought, effects are felt in activity.

Scientific evidence was produced which demonstrates the restful attributes of Transcendental Meditation. Documented studies illustrate that the technique decreases oxygen consumption, breath rate, cardiac output, and various biochemical factors, which indicates that the body is in a state of deep rest when meditating. In comparison with other forms of rest, the decrease in bodily activity is heavily evident.

Though the body is resting during meditation, mental activity is not reduced. Brain wave patterns indicate that the mind is very active while an individual is meditating. Mr. Michealchuk coined 'restful-alertness' as a description of Transcendental Meditation.

Donna Bratton added information which described the social aspects of utilizing the technique. She pointed out that the inner stability achieved through meditation is an aid to coming to grips with problems.

During the question period Mr. Michealchuk reassured the class that T.M. is not a religious belief. He stated that there are several priests and ministers are included in the roles of meditators in Edmonton. Approximately -- 2,500 people are now meditating in the area and they are from all walks of life and religious affiliations.

The teaching process of T.M. consists of a seven step program which must be followed. The price for the course is \$50 for highschool students, \$60 for post-secondary students, \$115 for adults, and \$180 for a family. The fee is classified as a donation and is income tax deductible in Canada. About 10 people registered interest in attending a second lecture.

Local man marks 25 years with CP

DICK GAETZ

A 10-year resident of St. Albert, R. B. (Dick) Gaetz, this year marks his 25th anniversary with Calgary Power.

Mr. Gaetz joined the company in May of 1949 as a member of the survey crew near Spray Lakes, in the Banff-Canmore area. He has been crew supervisor at Calgary Power's St. Albert office since 1970.

He was a part of survey

teams at Barrhead, Pickardville, Vermilion, Redwater, Edmonton, Camrose and Leduc until moving to Drayton Valley in 1954. That year, Mr. Gaetz worked on the survey for the Drayton Valley distribution system.

He lived at Drayton Valley until 1958, when he transferred to Edmonton. Married in 1961, Mr. Gaetz and his wife, Margot, lived at Edmonton before moving to

St. Albert.

Mr. Gaetz is a member of the Royal Canadian Legion, Montgomery Branch; and of the Canadian Institute of Surveying, Edmonton.

Calgary Power's annual 25-Year Club dinner-dance will be held at Calgary this fall, during which Mr. Gaetz will receive an inscribed watch and be inducted into the company's Quarter Century Club.

Sturgeon Fastball League Schedule

the Gazette 31 Perron Street

Lorne Akins support Korean girl

Several months ago a foster child was adopted by Lorne Akins School with the idea that the students should help the community and those not as well off as themselves. Their "idea" replied to them in the form of an 11 year old girl by the name of CHOI Nam Kil living in Seoul, Korea. Although a personal letter has not as yet been received from her, they have a fairly wide knowledge of the child.

In the folder received from Christian Children's Fund of Canada, her history reads: "Your child's family has always been desperately poor, yet the father somehow managed for awhile to eke out a living for them. Then, tragically, he died some time ago. After the father's death, the mother found mental employment. But she earns such a pittance that she cannot provide adequate food for her family, nor can she pay someone to take care of them while she works. As a result, outside assistance had to be found.

When we learned of this girl's critical need, we were happy to admit her to our 'family' group. Your sponsorship will indeed be a great blessing to her young life.

Born - October 9, 1962; Grade - 5th; Favorite Subject - Korean; Health - Fair; Chores - Helping to Sweep; Favorite Play - table games Sex-girl; Progress-good."

This year's Student Union will be sponsoring the girl until February, 1975.

The students of Lorne Akins hope to keep this goodwill project up for several years as they will profit from knowing that they are keeping someone alive by their love and donations.

THE CLASSIFIEDS CAN SELL IT THE FAST WAY. PH. 459-7144.

SPORTS

The Ben Tooth family were a happy family Saturday afternoon at the Kinsmen hockey banquet as all three boys played on championship teams this season. Colin (left) was on the Seals bantam A, Robbie (centre) played with the Barons peewee A squad and Steven was on the Dairy Queen Braziers team that won the Mite B.

Kinsmen Minor Hockey Completes Season

The St. Albert Kinsmen Minor Hockey season came to an end Saturday afternoon with the annual banquet and awards party in the Arena.

Representatives of some 66 teams in our minor hockey program attended to watch some of the boys pick-up their team and individual trophies.

Minor hockey chairman Neil Stewart thanked the boys, coaches, referees and all those connected with the program for making it all worthwhile. Special thanks went out to Mrs. Rene Laird, Gall Bell and Louis Martineau at the town office as well as Doug Foreman, Tom White, Mrs. Ainsley, Gerry Givens and Joyce Foreman who worked many long hours in preparing schedules, ice time and statistics.

The individual and team trophies were in most part donated by the Kinsmen Club and were awarded by various members of the Club to the following teams and boys.

SHAYER A:
The Cougars coached by Andy Kampen won the Shaver A crown and E. Viveros of the Cougars won the top scorer. M. Loshak of the Beavers was the top goalie.

SHAYER B:
Kellough Kolts under coach Maury Banks won the Shaver B title with W. Litke of the Kolts being the top scorer. R. Coles of the Bruins was the leagues top goalie.

MITE A:
Willowbrook Saints captured the Mite A championship and were coached by Ed Rusnak and Al Laplante. M. Peskewis was the league's top point scorer (Saints) and Ron Malo of the Nuggets was the best

goalie.

MITE B:

The Dairy Queen Braziers were the number one team in the Mite B league this season with R. Hesse of the Braziers the top scorer. L. Parth of the Sabres was the top goaltender and Keith Bell was the coach of the Braziers.

PEEWEE A:

St. Albert Barons coached by Bob Puche took the peewee A crown with Tim Shipanoff of the Barons winning the top scorer award. B. Telford of the Saints was the top goalie in the league.

PEEWEE B:
Texaco Tex-a-gos were the top team in this division and D. Tegler was the top point-getter. Mr. MacKay was the coach of Texaco and T. Nichols of the same team was the top goalie.

BANTAM A:

Safeway Seals were the top team in bantam A this season and were coached by Andre Rouault. The top scorer went to R. Bruinick of St. Albert Pharmacy with B. Zdrill of the Seals and Francis Tworek of the Canucks tying for the goalie

Rams win opener

St. Albert Rams intermediate lacrosse team under coach Ted Edmundson started off the season in great form with a 7-4 win over South Edmonton in the league's opener.

The other two teams in the league are North Glenora and Sherwood Park.

Mark Abrams was the top scorer for the Rams with three while Mike Thomp-

award.

BANTAM B:

The Hawks under coach C. Barard took the B championship with W. Orser of the Hawks the top scorer. L. Lewis of the Maple Leafs was the leading goalie.

MIDGET B:

The Red Onion Rebels took all honors in this league with coach Doug Foreman having the top scorer in Lory Moore and Jim Starko the top goalie. The Rebels also won the Big Iron Tournament and took most of the top awards in this as well. Mr. Terry Kennedy of the Broncos was named 'coach' of the Big Iron Tournament and was presented with a plaque.

The Garth Peterson Memorial Trophy was presented by Dougie Peterson and Larry Mitchell to Tracy Smith of the Rebels for displaying good sportsmanship and clean play both on and off the ice. Mr. Peterson passed away during the Big Iron Tournament and young Doug showed excellent poise in the nets for the Broncos as they lost a real thriller to the Rebels in the final game.

son, Garry Dickie, Doug Leach and Barry Quenengesser added singles. Rams were always out in front holding period leads of 2-1 and 5-2 after the second. Both clubs scored a pair each in the final period. Once again Dave Loznik played a superb game in goal for the Rams making many excellent saves.

Minor League Baseball

After three complete rounds of play in the Mite A division of the Lions Club and Knights of Columbus baseball program, the Totems and Phillies share top spot in the four team league with two wins each. The Oilers and Apollos have one victory each.

Due to a number of late registrations a fifth club is being formed and a revised schedule will be mailed out to all coaches.

Last Wednesday the Oilers scored a close 4-3 win over the Apollos and the Totems handed the Phillies a 27-11 defeat. On Monday the Apollos handed the Totems their first loss with a 15-12 win. Phillies took out the Oilers 15-11.

In Mite B play the Eskimos are all alone in top spot in the six team league with three wins in as many games. Mustangs and Orioles are in second place with two wins and a loss while the Broncos and Canucks have one win each. Lions are winless in three starts. Wednesday's games saw Orioles defeat the Broncos 19-7, Eskimos squeaked by the Canucks 11-10 and Mustangs take a 13-3 win over the Lions. Monday nights results had Eskimos win 7-1 over the Broncos, Mustangs took the Canucks 20-9 and Orioles shutout the Lions

10-0.

The Beaver league finally were able to get in a couple of rain out games during the weekend. Friday night the Giants defeated the Dodgers 13-2 while Saturday the Braves took the Angels 5-1. Sunday afternoon the Mets scored a close 10-7 win over the Giants.

The Bantam league has had both their scheduled games postponed due to the rain.

Our Midget team was supposed to have had a game at Renfrew Park in Edmonton Saturday afternoon, but unfortunately not enough

boys showed up and the game was cancelled.

STANDINGS AS OF MAY 13:

MITE A:	W	L	P
Totems	2	1	4
Phillies	2	1	4
Apollos	1	2	2
Oilers	1	2	2

MITE B:

W	L	P	
Eskimos	3	0	6
Mustangs	2	1	4
Orioles	2	1	4
Broncos	1	2	2
Canucks	1	2	2
Lions	0	3	0

St. Albert Barons under coach Bob Puche (left) won the Peewee A crown and Tim Shipanoff of the Barons was the league's top scorer.

EMPLOYEES AND IMMEDIATE FAMILIES ARE NOT ELIGIBLE.

St. Albert Inn pitcher Larry Johannas throws the first pitch of the Sturgeon Men's Fastball League to Lionel Rouault of St. Albert "A's" in St. Albert Monday night. The catcher is Ken Payne and the second baseman is Glen (Speedy) Ward. The game was umpired by Dennis Kerr and was well called. The "A's" won 9-4.

Sturgeon fastball league

The Sturgeon Men's Fastball League started their season Monday night in St. Albert with the only two games being played out of five that were scheduled. Three games were not played due to the diamonds in Spruce Grove, Stony Plain and Calahoo too wet for play.

St. Albert "A's" (formerly Michael's Catering) started off the year where they left off last season, with a 9-4 win over St. Albert Inn. The "A's" finished in first place last year. Veteran Dick Bird was on the mound for the winners Monday for five innings and was credited with the win. Reliever Tom Reed pitched the

final two innings and allowed three of St. Albert Inn's four runs. Jay Taylor had a homerun for the "A's" in the last inning while Brian Fennell had a pair of doubles for St. Albert Inn.

Fairhaven Falcons started off on the right foot with an easy 21-8 victory over Spruce Grove Juniors Monday evening at the St. Albert High diamond. Falcons were down 5-1 after 2 1/2 innings of play but came on strong with 13 runs in the last of the third to take a lead they never lost. Dick Repka was the winning pitcher and received a homerun support from Dale Smith in the third inning with a three run blast over centrefield. Orville Farris also helped out with a two-run shot.

Don't forget the leagues first tournament of the season at the Calahoo sports grounds this weekend. All 10 leagues will be competing.

The Kinsmen Bantam A championship this year went to the Safeway Seals with coach Andre Rouault (centre) holding the trophy donated by the Kinsmen Club. It, Bruntick (left) of St. Albert Pharmacy was the top scorer and Bob Zdrill was the top goalie. Both trophies are from the Kinsmen Club.

Calahoo fastball tournament

The Sturgeon Men's Fastball League will hold a tournament this weekend in Calahoo. All 10 teams will participate in the first tournament of the year with proceeds going towards the league and the Calahoo Sports Association.

tion.

The event will get underway Saturday at 2 p.m. with Stony Plain Kings playing Spruce Grove Juniors. At 4 p.m. Fairhaven Falcons will tackle the Stony Plain Playboys and Calahoo will go against St. Albert Inn. The final two games of the day will start at 6 p.m.

with Onoway vs Enoch and Spruce Grove Panthers against St. Albert "A's." Games will be played on both diamonds with a dance in the Gazebo to start about 8 p.m.

Semi-finals will start Sunday at 12 noon with the final game expected to go at about 6 p.m.

Town of St. Albert

Grosvenor Park Swimming Pool

FIRST SESSIONS OF INSTRUCTIONAL CLASSES - 1974

REGISTRATION DAYS

TUESDAY, MAY 21 7 to 9 P.M.
WEDNESDAY, MAY 22 7 to 9 P.M.
IN
SIR GEORGE SIMPSON SCHOOL, GROSVENOR BLVD.

REGISTRATIONS WILL ONLY BE TAKEN ON
THE ABOVE DAYS

SWIMMING (Red Cross - all levels): Two sessions of classes for children and students will be held in June: June 3 - 14 and June 17 - 28. Lessons will be held on week-days between the hours of 3:45 and 6 p.m. Adult lessons will be offered from June 4 - 27 on Tuesdays and Thursdays between 9 and 10 p.m.

NOTE: The Red Cross Society has stated that children must be six years old before the end of the year in which they enroll in pre-beginners. Classes will be held for mothers and pre-schoolers in July and August.

DIVING: Two sessions: May 27 - June 14 and June 17 - July 5. These sessions are each three weeks long with lessons held on week-days between 6 and 7 p.m.

R.L.S.S. (Bronze Medallion, Bronze Cross and Award of Merit): May 27 - June 21, with classes held on Mondays, Wednesdays and Fridays between 7:15 and 8:15 a.m.

Children and Students -	\$3.50	\$4.25
Adults -	\$5.00	\$6.25
DIVING	\$5.00	\$6.25
R.L.S.S.	\$5.00	\$6.25

CLASSES WILL ONLY BE HELD IF THERE ARE SUFFICIENT REGISTRATIONS
NO REFUNDS EXCEPT FOR MEDICAL REASONS

Hamilton WHA All Star

Edmonton Oilers rugged defenseman, Al Hamilton was the only member of the Oilers to win an all-star berth in the recent World Hockey Association selections. Hamilton was a second team all-star along with J. C. Tremblay of Quebec Nordiques. Both were members of the first all-star team last season.

Saints rained out

St. Albert Willowbrook Saints Baseball Club had their opening game of the season postponed Monday evening as the Mission Park diamond was wet and not playable.

Saints were to have opened the eight-team Sunburst Baseball League at home against the Fort Saskatchewan Red Sox in the only scheduled game. The postponement may have been a blessing in disguise as it will now give coaches Bob Salabak, Art Rechlo and Arnie Bailey an

additional practice time (if it ever stops raining) to get their team into shape.

Saints next league game will be played at Renfrew Park in Edmonton against the Blue Willow Jrs., Wednesday, May 22. Game time will be 6:45 p.m.

Saints still have a number of positions open and any interested players are asked to attend practice - Wednesday night at 6:30 or call Bob Salabak at 439-0579 or Art Rechlo at 458-1671.

St. Albert REC. NEWS

SWIMMING:

The swimming pool is scheduled to open on Saturday, May 18. The schedule from the opening weekend till June 2 was published last week.

Applications for season tickets are available at the Town Hall. To ensure receipt of tickets in time for the opening of the pool, completed applications were to be received no later than 5 p.m. on Wednesday, May 15; after that time there is no guarantee. It is, of course, possible to purchase season tickets for cash or cheque at any time during the summer. It should be noted that only family season tickets

can be paid for by special arrangement through the water and sewer billing and applications for these must be received no later than May 17.

A separate advertisement in this issue includes information about the first sessions of instructional classes to be held this season. Many people will be relieved to note that registration will take place in a school gymnasium this year. It is hoped that this will prevent some of the confusion which has hitherto been caused by the restricted accommodation in the clubhouse - not to mention the great advantage of being indoors in the event of

rain. Standing in a line-up and being rained on are a poor combination!

The schedule from June 3 till the end of June will be published in next week's Gazette and will include public, teen, adult and family sessions as well as "special" sessions.

For information about the pool, phone the Department of Recreation at 459-6601.

TENNIS:

The lessons organized by the St. Albert Tennis Club in co-operation with the Department of Parks and Recreation are now in progress.

For a few weeks, the hours when the courts are free are very irregular. This is because of the use of the courts by the schools under the Joint Use Agreement between the Town and the School Districts, club playing times and the lessons sponsored and organized by the Tennis Club. Anyone having any doubts about the availability of the courts should check with the Department of Recreation before going to play.

Street shoes MUST NOT be worn on the courts; tennis shoes are the correct footwear. The surface is easily damaged and the courts must be treated with respect, not as a parking lot.

FIGURE SKATING:

Pictures taken at the Carnival can still be ordered by contacting Mrs. Ev Beeby at 459-4574. The final order is going to be placed on Friday, May 17 so please phone Mrs. Beeby as soon as possible if interested.

Senior Lacrosse Returns To St. Albert Thursday

The St. Albert Golden Jets Lacrosse Club will stage their home opener Thursday, May 18 at the St. Albert Arena against the revamped Edmonton Spartans. The Jets are the defending Northern League Senior Champs and with scoring ace Brian Pedersen taking over as playing coach, the Jets will no doubt be in the running for top honors again this year.

The Jets have over 15 players returning from last years team including the leagues best goaltending duo, Bill Tieland and Larry "Lumpy" Davis. Offensively the Jets have an abundance of scoring power with at

least six accomplished scorers. If the St. Albert squad is to improve on last years performance it will have to be on defense.

Coach Pedersen feels that tougher checking will be the answer to any defensive problems that might exist.

Jets play a 21-game schedule with a home game every Tuesday, starting at 8:30 p.m. Other teams in the league are Edmonton Blues and Edmonton Spartans along with the Jets and West Edmonton Warhawks.

The North-South All Star game will be played in Nanion, Saturday, June 15.

Sturgeon ladies golf news

The Sturgeon Ladies Golf Association opened their season Tuesday morning with 24 ladies teeing off. The popular club golf every Tuesday morning while the working ladies take to the course every Tuesday night.

For you ladies that would like to get out for a few hours relaxation each week

and meet some fine people please call Shirley Fisher at 459-8317 or Ann Frechette at 455-5414 for further information.

President Ann Bannerman stated she was very pleased at the first turnout of the year and welcomes any new faces.

Golden Jets Win

The St. Albert Golden Jets Lacrosse Club opened their 1974 season with a 15 - 9 victory over the West Edmonton Warhawks. Lee Carlyle was the scoring hero for the Jets, firing five goals. Linemates Barry Konkolus and Doug Parsons potted two each. The Warhawks started quickly and kept the defending champion Jets off balance for most of the first and second periods.

Three goals in the last four minutes of the second period, however, gave the Jets a 10 - 7 lead - a lead which they never relinquished. In the final analysis goal-tenders Bill Tieland and Larry Davis were the difference. Although outshot 18 - 13 in the third period and 48 - 47 overall, the experience of the St. Albert pair kept the Jets consistently in the lead.

Other goal scorers for the Jets were Brian Pedersen, Jim Jones, Wally Monson, Mel Galloway, Don Konkolus and Blake Christopher. Brian Ferguson had three for the Warhawks and Greg Foley chipped in with

two.

Twenty-six minor penalties and one misconduct were called in the close checking affair with the Jets taking 14 of the minors.

Monday nights game saw Edmonton Blues score a 12-5 win over Fullers. Three goals by Chris Douglas paved the way for the Blues who also got two goals each from Danny Burke, Mark Valastin and Wayne Lam-

oureux. Pete Gamble and John Antonello scored twice each for the losers.

Terry Kennedy (right) coach of the Bermont Broncos was named the top coach of the Big Iron Midget tournament and was presented with a plaque by chairman Syd Moore.

The Mite B championship this season went to coach Keith Bell and his Dairy Queen Braziers. Braziers also had the league's top scorer in R. Hesse.

The Shaver A championship was won this year by the Cougars with coach Andy Kampen holding the trophy. The top scorer in the league went to E. Viveros of the Cougars.

Monarchs open season with All Star game

The First Annual All Star game of the Western Major Fastball League will be held at Clarke Stadium on May 19, Sunday at 1:30 p.m., at which time the Edmonton Monarchs will supply the opposition for the All Stars of the League as selected from last years' performances. Coach John Bright of the Edmonton Monarchs who was Coach of the Year in 1973, has decided to coach the Monarchs, and Harry Duekert, Manager of the Year in 1972, will coach the All Stars. Players from Calgary, Regina, Saskatoon, and Winnipeg will be featured.

This will be the first appearance of the Monarchs in 1974.

** ** *

On Saturday, May 18 at 6 p.m., the First Annual All Star banquet will be held at the Capilano Motor Hotel. For the occasion, Wes Montgomery will lead the head table as master of ceremonies.

ies. Jack Wells, well known sports caster from Winnipeg will be the featured guest speaker.

They will be joined at the head table by many more of the prominent sports casters and sporting personalities of Edmonton. The list will include - Al Hamilton, Edmonton Oilers; Tom Wilkinson, Edmonton Eskimos; John Bright, Coach of the Edmonton Monarchs; Wm. Hunter, Edmonton Oilers; Gordon Ross, CHQT; Rod Phillips, CFRN; Jeff Reimer, CBC; Don Fleming, Edmonton Journal; Bill Tuele, CFCW; Bruce Annan, Edmonton Journal.

A limited number of tickets are available and may be purchased by contacting the Edmonton Monarchs office at 429-5740, #609 Empire Bldg., Edmonton. The price is \$10 per person which includes dinner, cabaret, and the All Star Game on Sunday May 18.

Our paths of history cross a hundred times a day.

The North West Mounted Police came to Alberta a hundred years ago.

They built outposts that grew into towns and cities. They brought law and order to the west.

The Mounties paved the way for our pioneers. Unfortunately, they didn't pave the roads.

When Greyhound started getting people together in Alberta, we faced formidable odds. Back in 1930, some roads were little better than the old patrol trails. In winter, Greyhound buses sometimes had to plow the roads themselves.

Right from the start, Greyhound travel was a family affair. When a mudhole blocked the way, the passengers rolled up their sleeves and helped push the bus through. Just as they did in the old stage coach days.

Greyhound travel is a lot easier today. But we're proud that our routes often cross the paths of the early Mountie patrols. This year, our province celebrates 100 years of Mounted Police service. At Greyhound Canada we're proud that our origins and our home base are here in Alberta.

GREYHOUND CANADA

Capacity congregation shares anniv

Altogether, April 28, 1974 the 20th anniversary celebration of St. Albert United Church, will be entered in the annals of the congregation as a truly memorable experience.

The church was packed for the morning worship service, led by Rev. L. J. Musto. In addition to the anthems by the choir under the direction of Mrs. Merla Alkman and organist Mrs. Dianne Wright, the Lord's Prayer was sung by Christie Larkins and Karen Tupper, and Ian Sturgess and Greg Upright accompanied the Recessional on trumpets. Bringing short messages on the subject of "What the St. Albert United Church Has Meant to Me" were Mrs. Ethel Cuts, a Charter Member of the congregation, Mr. Ron Harvey, long-time finance chairman and Mr. Barry Breadner, an active leader in youth work in the church.

Introductions were made by Mrs. Lillian Upright, a very active member and former organist and choir leader. Greeters, guest book hostesses and offertory stewards were all Charter Members of the congregation. A large number of former members and friends were present.

During the service, the spade used in the sod-turning ceremonies by Rev. Dr. G. H. Villett, beautifully mounted by Mr. Doug Barron, was presented by Mrs. Villett, widow of the found-

ing pastor, who had used it, to Mr. Hu Puffer, present chairman of the executive council of the church.

Following the service, the congregation adjourned en masse to the downstairs hall for coffee and to share a beautiful birthday cake, cut by the oldest member of the congregation, Charter Member, Mrs. J. W. Barnett.

The St. Albert Community Hall was the scene of a very large gathering at six the same evening, when that hap- piest of all institutions, a "pot luck" supper, was shared. This was followed by an hilarious skit prepared by various (nameless) members of the congregation, featuring some well-known and other better-forgotten episodes in the life and progress of the congregation. A delightful period of rem-

iniscence followed, recalling to mind countless lovely memories. The generous gifts of members of the congregation to the beautifica- tion of the church were noted, including the organ and hymn books from Mr. and Mrs. Ron Harvey; the car- peting, draperies and window cross from Mr. and Mrs. R. D. Murray; the plaster- ing, done by Mr. Sol Clit- heroe; the cabinet work by Mr. Doug Barron; and above all, the work of the volun- teer builders under the tire- less direction of four expert carpenters in the congrega- tion; the late Stan Gerrie and Leo Nickerson, and Mes- srs. Doug Barron and Dan Richardson, who were both present. Mrs. Betty Gerrie acknowledged on her hus- band's behalf the recogni- tion of his work and leader- ship.

Great credit is due to the committees, headed by Mrs. Marcia Scammell, chair- man of the Congregational Life and Work Committee of the executive council of the Church, Mrs. June Leggett, in charge of the dinner ar- rangements, Mrs. Lillian Up- right, in charge of special

arrangements for the wor- ship service, and Mrs. Peg Humbert who looked after the after-service coffee party and birthday cake. They, together with Rev. L. Musto and numerous com- mittee members put in a great many hours to ensure a successful day.

ENGAGEMENT

Mr. and Mrs. Douglas Foreman of 24 Grandin Rd., St. Albert wish to announce the engagement of their daughter Victoria Alice to Kenneth Mark Ahronson, of 54 Grandora Crescent, St. Albert. The marriage to take place July 27 at St. Albert Evangelical Luther- an Church.

SERVICES HELD IN THE UNITED CHURCH

Rejoice Together

MORINVILLE MEMOS

By Flo McGinnis

Please don't forget that the Playschool General Meeting and Registration is being held next Wednesday, May 22. All children who will be five years old on or before February 28, 1975 are eligible to enter. You will find further information regarding this matter elsewhere in this issue.

Over 40 ladies enjoyed the very successful "get acquainted tea" hosted by the United Church Ladies' Aid on May 9 at the Legion Hall. The high point of the afternoon was the presence of Mrs. Faye Middleton who moved among the ladies reading palms and tea cups. A

"sugar-n-flour" door prize donated by Mrs. Helen Schriver was won by Mrs. Eva Coulombe. The Ladies' Aid would like to thank all the visitors for making the afternoon so pleasant.

ATTENTION mothers of Guides and Brownies. Support your daughter by your attendance at the Mothers' Local Association meeting being held Thursday, May 23 at 7 p.m. in the Legion Hall. This is a very important meeting if the Guides and Brownies are to continue in Morinville!

The Community Breakfast that was held on Mother's Day was a huge success with over 250 people attending.

the men of the Parish were doing the cooking, and are to be commended for handling the large crowd. Don't forget that the first Sunday of every month is the date for the Regular Community Breakfast which is always held in the Recreation Centre, so June 3 is the date for the next one. This is an excellent chance for families to get out and meet some of their neighbors, enjoying a very delicious breakfast at the same time.

There will be NO PEDAL PUSHER instruction on Monday, May 20 in order that families may enjoy a long weekend together. If in doubt, please call your youngsters leader!

Rev. J. E. McGrane in the Rovers Return, with some of the regulars, Annie Walker, Ray Langton, Stan Ogden and Ken Barlow.

Morinville Playschool

The Morinville Playschool has been operated by the Christian Ladies and the Catholic Women's League, since the Sisters of Jesus closed their convent. When the convent re-opened as the Notre Dame School, the CWL and Christian Ladies

rented a room and have held English and French classes there ever since.

Last year these two groups applied for a government grant under the Early Childhood Services program. The application was accepted and the school is now receiving

a yearly grant to aid in operating the playschool.

Under ECS, parental involvement is a firm requirement. Before the full grant is issued for the year 1973-74 our playschool must have 450 parent, child hours per student. The government has set this figure and it is subject to change each year.

Parental involvement begins at the administrating level and is continued through to the classroom level. The administrative part consists of five parents and four resource people to form an advisory committee. This group work, hand in hand, with the CWL and Christian Ladies, to operate the playschool. The classroom level involves parents and their children in a program where you as a parent are able to observe your child, learning, working and playing among his or her peers.

With the teacher, parents are able to help plan the program which will be introduced to their children. The teacher needs and welcomes all forms of participation from the parent be it directly in the classroom or in other areas.

Another requirement under the ECS program is to introduce to the children the importance of good nutrition. Each day the children are given a snack which is the perfect time to introduce a lesson concerning nutrition.

This past year, due to lack of funds, not all the requirements were implemented, but, the grant is now in and next year we will be on the way to operating a playschool with a strong ECS program.

Come to the general meeting May 22 to register your child and with your help the Morinville Playschool will be a real success.

Father McGrane visits Coronation Street set

When Father F. E. McGrane was visiting in England recently, there were two visits he wanted particularly to make in Manchester area. The first was to Chadwick Street, West Gorton, where he was born. "But the bulldozers got there before me. It's gone" he said.

The second was the set of Coronation Street, and he had written ahead to see if he could call. He was invited to come and meet the cast of the popular television show, and went on his first free afternoon.

He had been interested in the show for some time, and thinks it typical of Gorton. Now that it's on CBC five days a week at lunchtime he never misses it.

Through the good offices of Eric Prytherch, the producer he visited the studios and met those members of the cast who were on duty. They were a wonderful down to earth sort of people with no side or artificiality and one felt right at home with them as if you had known them for years. Perhaps this came from watching them so often over the local television station, he said. "Ina Sharples" and "Minnie Caldwell" were unfortunately missed, however he did meet Doris Speed, "Annie Walker" the proprietress of "The Rovers Return" and Doris suggested that he visit that famous "Pub" and have a picture taken. At the time "Maggie Clegg" Irene Sutcliffe of the corner shop was with Doris so he met her as well. Also on the set that day were "Stan and Hilda Ogden," Bernard Youens and Jean Alexander. He had quite

a chat with "Stan" and found "Hilda" in person something different that the part she plays. She is a pleasant soft spoken person rather than the character of Hilda. "Uncle Albert Tatlock" was also there, that's Jack Howarth, who does a great job in his role. William Roache, "Ken Barlow" on the 'Street' was also present and he was very nice to talk to. Neville Bushwell, "Ray Langton," another of the regulars was also present and, by the way, he plays a good game of darts so those scenes in the Ro-

vers Return dart room are genuine. Jennifer Moss as Lucille Hewitt has been with the "Street" many years and is not quite as young as she looks. As a matter of act she mentioned her age and that she had four children. "Beth Lynch" Julie Goodyear, the blonde barmaid in the Rovers Return was at work that day and she will not easily be forgotten. All in all it was a wonderful visit and one of the highlights of the trip to England, said Father McGrane.

Thibault holding Beginners program

Children in the Thibault R.C.P. S.D. #35 who will be six years old by February 28, 1974 are being invited to attend school from June 10-20, 1974, each morning.

The present Grade 1 classes will remain home

during these dates to accommodate the beginners.

If a child has not been registered, please contact the Notre Dame School, 256-3020 and/or complete the registration form.

It is necessary that proof of age (birth or baptismal certificate) be provided for each beginner.

Beginning pupils will be registered in Grade One French or English according to the wishes of the parents and spoken languages of the pupil.

During Orientation Week, the pupils will carry on many programs and processes designated to help them get a better start in their first school year. The parents will receive a booklet, helping them to aid their child to adjust and to prepare them to understand what is expected of a child in his first year.

Crop damage assistance

MLA Ernie Jamison has been receiving a number of calls on Provincial Government assistance for farmers with unharvested grain.

He emphasizes that the government is not paying all crop loss, and the intent of the assistance formula is to help farmers with extensive losses of a good portion or all of their crop.

The formula works on the total of acres seeded in 1973, less 20 per cent, less the number of acres harvested, with maximum assistance of \$5,000. Assistance is paid on this net acreage at \$30 for the first 100 and \$20 for the next 100.

EXAMPLE ONE:

Acres seeded in 1973 1,000
Less 20% 200

800 acres
Harvested in 1973 850 acres
Net Acreage -50

No Payment

EXAMPLE TWO:

Acres Seeded 500
Less 20% 100

400 acres
Harvested 200
Net Acreage 200

ASSISTANCE AVAILABLE:

100 Acres at \$30 \$3,000
100 Acres at \$20 \$2,000

TOTAL ASSISTANCE \$5,000

There has been no offer of assistance from the Federal Government to date.

The Province estimates their assistance program will amount to more than Ten Million Dollars.

1. Arrangement of wild flowers, berries, seeds, foliage etc., for six to 12 year olds.
2. Pack a school box lunch
3. Preschoolers - any flower arrangement. Please retain this list for future use and happy gardening folks!

Morinville Library News

The "coffee party" held by the Library Board on May 3 was a great success.

A puppet show given by Mrs. Charlotte St. Germaine and Mrs. Lorraine Fergusson attracted so many children that a second showing was necessary. The theme was "Little Red Riding Hood" and the two ladies wrote an adaptation of the play which was read by Mrs. Dorothy Dubord. Lorraine and Charlotte went to a lot of trouble constructing and decorating a stage. They also made the puppets and borrowed one, of Little Red Riding Hood.

The mayor and Mrs. Stapleton were welcome guests, so also was Father Viel, and a fair number of both town and county members.

Two hundred books gifted by the Canada Council were on display and were viewed with interest, especially by the French speaking and reading members.

This week another gift of 106 books were added to the library collection. This gift from the Edmonton Centennial Library. Part of the new books order has arrived this week also, so there will be plenty of work for the Librarians for sometime to come preparing all these books for the shelves.

Lorraine Fergusson and Charlotte St. Germaine have been learning more about puppetry, and following a recent course in the city, have been doing some fine work at the Morinville Library, which is proving most popular with the youngsters.

Water intake and urinary calculi in range calves

Re-issued by W. O. Klatt's office.

Urinary calculi, or stones, cause the death of large numbers of range calves each year by blocking the urethra and preventing the flow of urine. At the Lethbridge Station, we have found that total water intake regulates the formation of urinary calculi. When less than 3.5 pounds of

water are consumed with each pound of grass dry matter, conditions in the urinary tract favor calculus formation. Because calculi are often present at weaning, we knew that this condition must have occurred while the calves were still suckling their dams. But we did not know exactly when the critical ratio between water

and grass dry matter was reached.

To obtain information to guide us in recommending preventative measures, we performed an experiment at the Manyberries Substation in which water intake of calves on range was measured several times between birth and weaning. The range was typical shortgrass prairie with needle and thread grass and blue grama grass predominant. Water intake as measured included that obtained by the calves in milk and in the grass eaten as well as the free water they drank. The amount contributed by milk was known from earlier experiments.

We found that water intake increased from 11 pounds per day at one week of age to 33 pounds per day just before weaning. Intake reached the critical level of 3.5 pounds per pound of grass dry matter about mid-September and afterwards declined even further. All water consumed was in the form of milk at one week of age

but water from other sources accounted for 10 per cent of the total at six weeks, 50 per cent at 16 weeks, and 75 per cent at 23 weeks. Most of the water consumed in excess of that from milk will have been free water because the grass contained very little moisture.

These experiments show that calculus formation could have begun in the calves in mid-September, six weeks before they are usually weaned. Removal of calves from native range at this time would reduce or eliminate calculus formation. But for those calves that must remain on range, calculus formation could be reduced by increasing their water intake. Experiments now underway are designed to test the effects of increasing the intake of salt on water intake and calculus formation in range calves. For this purpose, range supplements are being provided that contain up to 20 per cent salt.

Released from the Lethbridge Research Station.

News from Gibbons

By Shirley Steinwand

A Pop Shoppe opened in Gibbons on Thursday morning, across from the hotel. Owner is Mr. Merle Hawkins. Hours of business are: Tuesday and Thursday, 10 a.m. to 8 p.m., Friday and Saturday, 10 a.m. to 9 p.m., closed Mondays.

Mr. Hawkins kindly donated 10 cases of pop for the walk-a-thon Saturday.

Best wishes to your new venture, Mr. Hawkins.

The Anglican Church Ladies met at the home of Beatrice Schwanko on May 1st. The next meeting will be held January 5 at the home of Eula Mahbutt.

The regular meeting of the Ladies Legion was held on May 6 at the Legion Hut. Thirteen members were present. Any wives, sisters, or mothers of service men

are welcome to join. The Ladies Legion would like to see some new members.

The next meeting will be held on June 3.

Linda's Beauty Salon will soon be opening in Gibbons, operated by Linda Dowling. The salon will be located at 5015 - 48 Street in the basement. Linda plans to be open Monday, Tuesday, Wednesday and Friday nights until 9 p.m. Thursdays and Saturdays until 6 p.m.

Watch for opening specials on perms, streaking,

and bleaches.

All good wishes for a successful business are extended to Linda.

Thanks to all the women that donated cakes, pies, cupcakes and doughnuts to the Rec Fest '74 at Morinville. A special thanks to the five women that stayed all day to help sell. The money has been given to the Arena Fund. Total money received was \$43.20 from Morinville Rec Fest took their 10 per cent.

Gibbons Council report

A new water meter has been purchased and will be installed in the water tower to again determine the usage of water each day. Water meters will be installed in some areas this year.

A letter of resignation from Council by Ronald Coley was accepted by Council as Mr. Coley is leaving the village. The effective date will be May 30.

The mayor and secretary-treasurer will attend the Alberta Urban Municipalities Association and Secretary-Treasurer's meeting in Leduc on May 22.

The application for Senior Citizen's Accommodation is now being presented to the Government and a group of persons will be selected to the board to manage the business of running the project.

The week of May 6 to May 11 was provincial clean-up week and the village have also declared May 13 to May 18 as Village clean-up week. Co-operation with the clean up will be appreciated. For details please contact Councilor Wilfred Oliver.

Plans for a new building

Peter Elzinga seeks Pembina PC Nomination

Mr. Peter Elzinga of Ardrossan has announced that he will contest the Progressive Conservative Nomination in the federal riding of Pembina. He said he believes a more open approach to government is needed, where individuals can become involved in the decision making process, and participate in solving problems. Many of the problems of Western Canada have been neglected, he

said, and a strong voice, and intelligent and reasonable approach to today's problems are needed in Ottawa.

In making the announcement, Mr. Elzinga said he feels it is very important to elect a strong representative in the next federal election "particularly from a standpoint of solving local problems, but for a voice in implementing government policies."

Peter, his wife Patricia with their three sons live in the Ardrossan area, where he operates a cattle and hog operation with his brother Henry. He is an executive member of the Sherwood Park Kinsmen, a past secretary of the Klondike Roadmasters Club, past President of his Community League, and past chairman of his Church social committee.

Peter has been an active worker in federal and provincial elections for the Progressive Conservative party. He is a member of the executive of the Pembina federal P.C. Association and the president of the Clover

Bar provincial Progressive Conservative Association. A member of three farm organizations and a graduate from the School of Economic Science and Social Philosophy, he was also the recipient of the Kinsmen of the Year Award in 1972-73, and is a member of the Fort Saskatchewan Chamber of Commerce.

Born and raised in this area, Mr. Elzinga is one of five children born to Peter and Susan Elzinga. His father immigrated to Canada in 1925 and prior to his semi-retirement owned and operated Elzinga Flour and Feed Ltd.

Letting my name stand for the nomination was not a snap decision, said Mr. Elzinga. He has spent a great deal of time travelling in all parts of the constituency, talking to local people about issues and concerns.

The Nomination is to take place in the near future. Prior to this there will be some meetings for the purpose of electing delegates for the nomination.

Buck's Yellow Bird of Pelkana, 10 month old female pup, placed second in puppy trials at Cooking Lake, Sunday, April 28 out of 14 pups competing. Jay was running in her first trial. Jay was sired by champion Pelkana Lake Black Buck at the Pelkana Kennels, B.N. Accord. Shown with the prize-winning puppy is Jim Thompson, owner and trainer.

Photo by Jim George

Seniors help arena

By Shirley Steinwand

The regular meeting of the Last Round-Up, Gibbons Seniors Club, was held on May 9 in the Legion Hut. There were 17 members present. Many are ill and rural members are busy with spring work.

After roll call, Sheila mentioned that the sum of \$43.20 had been deposited to the Arena Fund. This represented the money taken in by the Last Round-Up at their booth during Rec Fest '74 held at Morinville.

Several games of bingo were played and there was a short sing-song while the lunch table was being set. After lunch Eula Mahbutt read a letter which had come to Edith Carleton from the Edmonton Old Timers Association. It outlined some of their activities and extended

a welcome to any Senior Citizens who would care to join them. All luncheons are held in the Old Timers Cabin. They will be holding their annual tea at which will be displayed Heritage Quilts. Anyone having one of these quilts is asked to bring it in for display.

Eula brought up the matter of some small tables which can be purchased for \$2 each. It was moved by George Carleton, seconded by S. Lamoureux that we purchase these tables. Carried.

Wilf Oliver mentioned that Monday, May 13 to Saturday, May 18 is "Clean Up Week" in Gibbons. The village truck will haul away anything which is too large for regular garbage pickup. Call the village office for pickup - 799-9697.

OPEN LETTER

to the constituents of
Pembina

Dear Friends:

It is two years since you voiced your opinion, as to who you would like to represent you in the House of Commons. We come before you now seeking your support for the Progressive Conservative NOMINATION in the federal riding of PEMBINA. Our attitude is one of dedication and concern. We ask for the opportunity to work for you. We ask for your support at the Nomination.

Prior to this, you are required to have been elected as a voting delegate at a zone meeting held for this purpose. Please participate and give us your support. For more information, please call 649-2661, 467-0483 or 466-2242.

Sincerely,
Peter Elzinga.

*HARD STOP

Part of the renovation of the Animal Clinic includes this recovery area which houses post-op patients in individual kennels.

Manitoba students exchange with S.A.M.

Monday, May 13 was a very special day for 31 grade four students from Sir Alexander Mackenzie School in St. Albert. These students met 28 students from Balmoral, Manitoba on this day. They are hosting them to a week of activities which will include tours and visits to various points of interest. After arrival at the International Airport the group will tour Al Oeming's Game Farm. After supper with their billets, the evening will be spent at the school where sports and skits have been

planned.

Tuesday, May 14 the visitors will join in the Track and Field at Sir Alexander Mackenzie School.

May 15 - 16, the group will be leaving on an overnight trip to Calgary and Banff where hiking, swimming, museum tours and many other activities have been arranged.

Friday, May 17 they shall visit the Museum and Archives in Edmonton and then the visitors will return to Balmoral.

The students have been

exchanging letters, autobiographies, tape recordings, stories, reports, etc. all year and the end of an exciting project is now here. They shall be spending the week of June 10 - 14 in Balmoral. They will be going on a boat cruise up the Red River, visiting the Canberry Desert and many other 'super' activities.

The Sir Alexander Mackenzie students who are participating in the exchange are: Andy Carlson, Randy Dochuk, Bruce Ferguson, Geordie Filipchuk, Bill Havens, Dean Krause, Warren Mitchell, Shawn Nichol, Miles Parenteau, Lorne Quick, Terry Rudolph, Greg Smith, Carl Sturgess, Steven Tooth, Robert Walsh, George Whyte, Gordon Scott, Russell Hamilton, Bob Geyer, Sherry Crerar, Gina Grosenick, Laurie Jones, Donna Katzmarzyk, Holly Root, Natalie Rowe, Tammy Stanners, Shannon Unger, Kathy Wood, Anita Jansen, Donna Duncan, and Loreen Orser. The classroom teacher for this project is Mrs. Sandra Margetts. The classroom would like to thank all parents and people who have helped in any way to make this a success.

The staff of the St. Albert Animal Clinic and Patient. From left to right: Claire Hook, Dr. Louise Tracz (holding Ginger), Dr. Elizabeth Metz, and Linda Waunch.

Pets get the best at enlarged clinic

Knowing that the St. Albert Animal Clinic is well equipped to treat pet disorders should provide a wealth of comfort for the family pet. In the event that 'Spot' or 'Tabby' should fall ill, it is reassuring to know that there is a competent staff and modern equipment to diagnose and treat them.

The clinic is located in a reconditioned house on St. Anne Street and from the outside it still deceptively resembles just another house. Entering the premises should halt such a conclusion for just inside is a reception desk and a waiting area.

Other rooms in the clinic hold such things as examination areas, dark rooms, X-ray equipment, a laboratory, surgery area, and recovery kennels. Everything that one could conceivably imagine for the treatment of your favorite furry friend is within those walls.

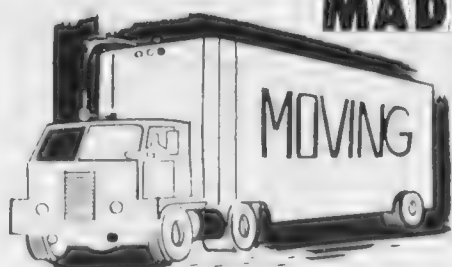

Adjoining the clinic is a parking lot with ample room for cars and at the back of this area is a small structure which is currently being used for holding 'stray beasts' until owners can be

traced. The future plan for this structure include an isolation area for animals with contagious diseases and a boarding house for cats.

Founder of the clinic, Dr. Elizabeth Metz, has recently been joined by another veterinarian, Dr. Louise Tracz, who has only been associated with the clinic since March. Dr. Tracz grew up in

Toronto and found herself attracted to the west after a summer of employment at Lake Louise as a student. She is a graduate of the Ontario Veterinary College at Guelph.

Dr. Tracz has been accepted into the Alberta and the British Columbia Veterinary Medical Associations.

Report from Bon Accord

By Sadie Allen

The Board of Directors of the Bon Accord and district Agricultural Society met on April 25. Members of the board are: President, Wes Carleton; 1st vice-pres. Archie Jenkins; 2nd v.p. - Earl Mulligan, Ray Rigney, Art Strawson, Taras Ferbey, Albert Hewitt, Don Bland, Hughie Allen, Lynda Bland, Stan Kowalski and Dean Lewis. Pat Reichle was appointed secretary. An agricultural fair is being planned for later in the summer. Anyone with suggestions or who is interested in helping with the Fair is invited to phone Pat at 298-3535. The next meeting is slated for June 11 in the Bon Accord Community Club. The Board welcomes your ideas.

The Roman Catholic Women's Club met at the home of Mary LeBlanc on Wednesday, May 1. Thirteen ladies were present. Plans were made for first communion held on Mothers Day with coffee and squares served following the mass. An outdoor mass is scheduled for June 9 at 1 p.m. and will be held at the Rivet farm, two miles east of Bon Accord on Highway 28 and five miles north or two miles west of Gibbons on Highway 28 and five miles north. A box lunch picnic will follow the service and everyone is invited to attend. The ladies are endeavoring to make up a parish list. Anyone affiliated with the Roman Catholic Church is asked to contact Alma Pearce, 298-2400 or Rose Ruth - 298-3931. The next meeting will be held on June 5 at 8 p.m. at the home of Alma Pearce. This will be the final meeting before summer recess. The meetings will resume in October. Coffee and a delicious lunch were served by the hostess.

The 4H Clothing Club held their Achievement Day in the community centre on May 6. The girls entertained parents and guests with a very interesting program, the highlight of which was a fashion show in which the young models displayed several of their projects. Commentator for the show was Lydia Uchacz, M.C. for the program was Lori Pawluck. Mrs. Alice Strawson was judge. Top Jr. sewer was Karen Almquist, Top Sr. sewer - Marsha Rigney; Best Sr. display - Wendy Lewis; Top Jr. Book - Karen Almquist; Top Sr. Book - Marsha Rigney; Efficiency winner and recipient of the T. Eaton Award - Lydia Uchacz; Club Week

Delegate - Wendy Lewis. Unit 1 members are Betty Kushak, Lorna Carleton, Connie Kreway and Karen Almquist. Unit 3 members are Cynthia Bojchko and Janet Mulligan. Unit 4 members are Lydia Uchacz, Lori Pawluck and Wendy Lewis and Unit 5 member is Marsha Rigney. Novel gifts of appreciation made to club leaders were a crabapple tree to Mrs. Joanne Long, a creeping fuschia to Mrs. Elaine Whitson and a deep purple lilac to Mrs. Rita Milligan and were presented by Marsha, Lydia and Lori on behalf of the members.

In lieu of the regular father and son banquet, cubs and their fathers enjoyed an evening together on April 22. The boys entertained their fathers with original skits. A special thank you is extended to guest speaker Const. Tugnam of the RCMP Morinville detachment. Cake ice cream and strawberries topped off an enjoyable evening.

The May 20 cub meeting is cancelled due to the long weekend. Cub Camp will be held starting the evening of May 31 to June 2 at the farm of Walter Jerram. There will be a family weiner roast on Friday evening, May 31. Please make a note of the date. Winners of the anti-litter poster contest were -- 7 - 8 yrs. (1) Wendy Fenwick; (2) Cameron MacDonald; (3) Gordon MacDonald; 9 - 10 yrs. (1) Danny McKay; (2) Lyle Strawson; (3) Glen Kitzul and 11 - 12 yrs. (1) Michelle Donoughe; (2) Robert Kitzul; (3) Calvin Brown. The contest was limited to cubs, brownies and guides. Thanks are extended to Mr. and Mrs. Sid Schick who judged the posters. The cubs wish to thank all those who contributed to a successful bottle drive. If you had bottles to donate and were missed in the pickup please contact John Engman.

Softball got underway on May 6 with bantam girls chalking up a 28-20 win over Namao and the peewees downing Gibbons 34-22. Bantams won over Horse Hills 23-8 on May 10. Girls' softball is scheduled for Mondays and Thursday and minor baseball for Tuesdays and Fridays. Senior girls will play on May 13, 15, 22, 24, 27 at Clarke Stadium with their first home game slated for May 29 at 8 p.m. Girls are entered in the city womens' league this year so we should have some exciting games to watch. Game time in the city is 7 p.m. Senior base-

ball gets underway on May 15 with our boys meeting Lamont at Lamont, May 22 at Vimy, May 26 at Legal and May 29 at Rochester. First home game is June 2 with Rochester at Bon Accord. Games go at 7 on weekdays and 2 p.m. on Sundays. Bon Accord is the only centre in our league area with a mid-get team this year, a series of exhibition games have been arranged with the Edmonton Midget League. If you are a baseball enthusiast, the summer should prove very interesting. Coaches for softball are Doreen Hewitt, piloting the peewees, Linda Ross and Linda Adams in charge of the squirts; Keith Whitson for the bantams and Gail Critchley with the junior team. For the baseball, its Steve Ison for the mini-mites; Roy Malan-chen for the mites; D. Robertson for the peewees and Jim Draper and Albert Hewitt for the bantams and Chet McBride and Bryan Critchley for the midgets. A pat on the back and hopefully a lot of parent support, for all these public-minded people.

The Bon Accord Girl Guides are presented enrolled in a First Aid Course being held at the Namao Social Centre. They attended their first lesson on May 7. The girls were told to think "breathing, bleeding, shock and Doc" when arriving at the scene of an accident. The next lesson is May 14.

The last L.A. meeting of the season was held on May 7 with 12 ladies present. Following the roll call and reading of the minutes a report on the banquet was made. The meeting accepted the resignation of Mrs. Elsie Belziuk as badge secretary. Taking her place as new secretary is Mrs. Kit Millwood. Mrs. Helen Lesyshen reported on the Prov. Conference attended at Red Deer. Also attending was Mrs. Donna Gorringer.

The Ladies Community Club held their meeting at the home of Pat Reynolds on May 8, with 20 members attending. New member Doreen Chopp was welcomed into the club. No plant sale will be held this year. Following the business session the ladies enjoyed a fondue. The hostess prize was won by Carol Rivet.

Congratulations to members of the Bon Accord Junior High Badminton Club who copped off top honors in a tourney held at Vanier School in Morinville on the weekend. All junior high schools in Sturgeon were competing.

The Sturgeon Heights Primary Rhythm Band, directed by Mrs. Roxburgh, at the extreme right of the group, performing at the festival held recently at Namao School.

Namao News

By Norma Crozier

The Namao 4H Light Horse Club held their monthly meeting on May 8, 1974. They decided to look after the coat-checking for the gymkhana dance on May 11. There will be a riding meet on May 22. On June 1 there is a 4H Rally and June 8 is the date of the Farmers Day Horse Show. On August 17 the club will work the booth for the Appaloosa Show which will be held at Viscount Stables. The Regional 4H Horse Show will be held on August 25th at Leduc. The next monthly meeting of the club will be held on June 12. Everyone is welcome to come to any of these events. Reported by Anna Huber.

A shower honoring Miss Pamela Crozier, bride-elect of Mr. David Margolis was held in the Community Hall on May 7, hosted by the Happillette Club. On behalf of everyone present, Mrs. Mary Nelsen presented the gifts to Pamela. After opening of the gifts the club served a delicious lunch of fruit breads and cheese en-

joyed by all.

The Namao United Church Mother's Day service was highlighted with the baptism of Becki Lynn Paul, daughter of Mr. and Mrs. Larry Paul and Blayne Albert Wozny, son of Mr. and Mrs. Albert Wozny. Many guests were present for the occasion.

A Special Appeal has come from Bissell Centre in Edmonton for articles needed for their Senior Citizens Summer Camp. Needed are: blankets, towels, bathing

suits and fishing rods for this project. There is also their ever present need for funds, good used clothing and furniture. Anyone with articles to donate may leave them at the Church from June 10 to June 14.

Get well wishes go to Mr. William Tanasiuk who is a patient in Royal Alexandra Hospital.

Mr. and Mrs. Ted Samis enjoyed a weekend visit with Dr. George Sinclair of Toronto.

Memorial

SHAW

In loving memory of our dear son Gary who passed away May 13, 1972; Two years has passed since that sad day When one we loved was called away The parting was so sudden we often wonder why, To us the hardest part of all we never said Goodbye, God took him home this was his will But in our hearts he liveth still Always remembered and sadly missed by your Mom and Dad, Brothers and Sisters.

the bank where people make the difference

Guide banquet features interesting guests

On May 3 - 100 people sat down to the first father, mother, daughter banquet held by the 1st Bon Accord Brownie Pack and the 1st Bon Accord Girl Guide Company. The banquet began with the singing of O-Canada followed by Grace said by Rev. Harold Black. The toast to the queen was then led by mistress of ceremonies L.A. President Mrs. Darlene Lehman. Adelicious buffet supper followed supervised by Mrs. Pat Reynolds.

Head table guests were Rev. and Mrs. Tom McKnight Father, John Adams, Namoo District Commissioner Mrs. Elaine Segin, Mr. Victor Lesyshen, Tawny Owl Miss Carol Lesyshen, Division Commissioner Mrs. Helen Lesyshen, Local Association President Mrs. Darlene Lehman, Miss Sandra Lehman, Mr. Don Lehman, Edmonston Guide Lieutenant Miss Linda Runka, Bon Accord District Commissioner and Guide Captain Mrs. Donna Gorringer, Miss Lori Gorringer, District Commissioner for Elk Island Region for Boy Scouts of Canada Mr. Gordon Gorringer and Rev. and Mrs. H. Black.

The leaders and Local Association executive were introduced. Brownies and guides introduced their parents, guests and guest testers. The toast to the mothers was proposed by Guido Susan Moore and replied to by Mrs. Victoria Kushak. The toast to the fathers was proposed by Brownie Lorraine Campbell. The reply was given by Mr. Les Moore.

The guest speaker was Division Commissioner Mrs. Helen Lesyshen. She spoke on how Guiding began in Edmonton. "It began in 1913 or 1914 when a young girl stood watching the exhibition parade on Jasper Ave. and was greatly impressed by 'a gorgeous creature' at the extreme end of the procession, a lone Guide, marching along with a long sloppy skirt, a floppy Scout hat, a Scout shirt and around her waist a belt hung with knife, billy can, whistle, compass, water bottle, etc. Her young admirer knew at once this was the life for her, and with her companion, hurried off to Bishop Allan Gray, the Edmonton Scoutmaster, to ask if he would not start Girl Guides in the city. She had no luck, so on her own she bought a copy of Scouting for Boys, and with her friends embarked on an enthusiastic program of knots, semaphore and Guide games. The seeds of Guiding had been well and truly planted."

Bon Accord District is part of Kanata Division which also includes the towns of Legal, Morinville, Gibbons, Redwater and Smoky Lake. "I think today, more than ever we need organizations like the Girl Guides, Boy Scouts, 4H Groups and the CGIT. Kids like what they have to offer, they only lose interest when we let them

down. A combination of good leaders, an active program and parent participation are important ingredients to keep such groups as ours alive," said the guest speaker.

Guide Captain Mrs. Gorringer presented an award to Michelle Donaghue for her sincerity and attentiveness throughout the year.

Mrs. Donaghue then presented a gift to Mrs. Doreen Hewitt who accepted it on behalf of the Bon Accord Community Centre Board, in appreciation for the use of the hall this past year.

In appreciation for supervising the supper Mrs. Reynolds was presented with a gift by Mrs. Berke.

Special guest for the evening was Miss Linda Runka who showed slides which she took while she was in India. She was one of a group of four girls who went to India from Canada. On their arrival in Delhi in January 1974 they were met by the Canadian Embassy representative who drove them to the Indian Boy Scout and Girl Guide Headquarters.

Attending the "Know India Session" were girls from the U.S., Australia, Denmark, United Kingdom, Iran and India. During their stay in Delhi they "did a lot of sightseeing; Qutab Minar, Red Fort, Moslem Prayer Temples and Tombs." Of the Taj Mahal, she said "All found the Taj Mahal more beautiful than any picture could ever describe."

They flew from Delhi to Bombay and on by train to Poona where they were met by the Guide-in-charge at

Sangam. Everything was loaded into the cars and the girls were on the way to Sangam - home for the next two weeks."

The stay in Sangam was always busy with things to do and two or three sessions a day on different aspects of India. Some of these were - history, geography, education, status of women in society, cuisine, sari styles and yoga. In the evenings they had music players come in (guitar and drum) also dancers, or just sat around and talked and sang."

In between sessions there was clothes to be washed, badge swapping, swimming, talking and visiting with families across the road, shopping and sightseeing. They also saw a Hindu movie.

In February they took an overnight trip to Ellora and Ajanta caves. These caves were sculptured from the rock by different religious groups hundreds of years ago.

Feb. 9 - last day at Sangam, International Day - where the other countries put on displays and cooked a food of their country. Closing ceremonies were held at night.

Hospitality in Bombay was with Indian families, and we stayed three extra days in Bombay with four of the girls.

I left India on Feb. 15, and it was one experience that I will never ever forget, she said in conclusion.

On behalf of the Brownies and Guides, Miss Runka was presented with a gift in appreciation for attending the banquet and sharing her trip to India with us.

Buying Real Estate can be dangerous, unless you are fully informed. Do not buy or sell until you know all the facts about the changing Real Estate market. Only by comparing prices and features of a number of properties can you make the best decision.

The only way you can get up-to-date information is through the Block Bros. Real Estate catalogues. Every week on Friday, the Block Bros. catalogues are published and distributed to over 50 service centres, and to all Associate Real Estate Brokers across Canada. The catalogues contain precise descriptions of over 5,000 Real Estate offerings; such as the size of the property, the exact location, a photograph and of course, the price and terms.

You can hold in your hand up-to-date information on the total Real Estate market today in Alberta and B.C.

Before you make any decision about Real Estate, be sure to see Block Bros. catalogues. Every Block Bros. office has a convenient viewing centre. We urge you to come in and inform yourself.
